2009

# Native American/ Native Hawaiian Museum Services

Grant Program Guidelines  
CFDA No. 45.308

*Application Deadline: April 1, 2009*

*Applicants must apply through [Grants.gov](http://Grants.gov)  
(see [www.ims.gov/grantsgov](http://www.ims.gov/grantsgov) for more information).*

## FOR MORE INFORMATION, CALL OR WRITE:

### **Native American/Native Hawaiian Museum Services program staff**

Sandra Narva, Senior Program Officer  
Phone: 202/653-4634  
E-mail: [snarva@imls.gov](mailto:snarva@imls.gov)

Robert Trio, Program Specialist  
Phone: 202/653-4689  
E-mail: [rtrio@imls.gov](mailto:rtrio@imls.gov)

Reagan Moore, Program Specialist  
Phone: 202/653-4637  
E-mail: [rmoore@imls.gov](mailto:rmoore@imls.gov)

**Office of Museum Services**  
General phone: 202/653-4789

**Institute of Museum and Library Services**  
1800 M Street, NW, 9th Floor  
Washington, DC 20036-5802  
General phone: 202/653-IMLS (4657)  
General e-mail: [imlsinfo@imls.gov](mailto:imlsinfo@imls.gov)  
Web site: [www.imls.gov](http://www.imls.gov)

TTY (for hearing-impaired persons):  
202/653-4614

IMLS will provide visually impaired or learning-disabled persons with an audio recording of this publication or any other grant publication upon request.

Office of Management and Budget Clearance Numbers  
Guidelines: OMB No. 3137-0065 Expiration Date 6/30/2009  
Forms: OMB No. 3137-0071; Expiration Date: 7/31/2010

### **Burden Estimates and Request for Public Comments**

Public reporting burden for the collection of information per the guidelines' instruction is estimated to average 40 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Institute of Museum and Library Services at the address above; and to the Office of Management and Budget, Paperwork Reduction Project (3137-0029), Washington, DC 20503.

Public reporting burden is estimated to average 15 minutes per response for the Program Information Sheet, and 3 hours per response for the Detailed Budget and Summary Budget, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Institute of Museum and Library Services, Chief, Information Officer, 1800 M Street, NW, 9<sup>th</sup> Floor, Washington, DC 20036-5802, and to the Office of Management and Budget, Paperwork Reduction Project (3137-0071), Washington, DC 20503.

IMLS programs do not discriminate on the basis of race, color, national origin, sex, disability, or age. For further information, write to the Civil Rights Officer, Institute of Museum and Library Services, 1800 M Street, NW, 9th Floor, Washington, DC 20036-5802.

## DEAR COLLEAGUES

I am pleased to present the 2009 guidelines for Native American/Native Hawaiian Museum Services. These grants provide opportunities for Native American tribes and groups that primarily serve Native Hawaiians to support activities in museum and museum-related organizations, such as cultural centers, that strengthen programming, encourage professional development, and sustain other museum services.

This program has provided support to a collection of worthy projects that have helped federally recognized tribes and groups that primarily serve Native Hawaiians sustain and preserve cultural heritage and knowledge. These grants fund a full range of museum programs and activities, including collections management, staff training, public programming, strategic planning, and exhibition development. We encourage applicants to submit projects that fall within one of the following three categories – Programming, Professional Development, and Enhancement of Museum Services – that are of particular relevance to their museum.

This program was established in the Museum and Library Services Act of 2003 which included, for the first time, the authority for IMLS to provide assistance to “Native American tribes and organizations primarily serving and representing Native Hawaiians provide museum services.” These guidelines were developed in response to the legislation and with the advice of the tribal museum community and eligible tribes.

I invite you to read these guidelines, speak with IMLS staff, and consider applying for funding.

Sincerely,

A handwritten signature in blue ink that reads "Anne-Imelda M. Radice". The signature is written in a cursive style with a large initial 'A'.

Anne-Imelda M. Radice, PhD  
Director

**SECTION 1:**  
**GENERAL INFORMATION**

---

## ABOUT THE INSTITUTE OF MUSEUM AND LIBRARY SERVICES

The Institute of Museum and Library Services is the primary source of federal support for the nation's 122,000 libraries and 17,500 museums. The Institute's mission is to create strong libraries and museums that connect people to information and ideas. The Institute works at the national level and in coordination with state and local organizations to sustain heritage, culture, and knowledge; enhance learning and innovation; and support professional development. To learn more about the Institute, please visit [www.ims.gov](http://www.ims.gov).

The Institute supports the full range of museums, including art, history, science and technology, children's, natural history, historic houses, nature centers, botanical gardens, and zoos; and all types of libraries, including public, school, academic, research, and archival. Our robust capacity for research, evaluation, policy analysis, grantmaking, and partnerships help make it possible for libraries and museums to be leaders in their communities.

Museums and libraries are America's leading public institutions, making knowledge available to millions at little or no cost. As public institutions they must meet a very high threshold of mission accountability and use resources wisely for public good.

Through grants and information resources, we annually reach thousands of museums and libraries in myriad ways—from providing much-needed technical assistance for small institutions to establishing national and replicable models, strengthening state networks, and supporting professional development. To aid institutions in program design, we also provide tools for strategic planning and evaluation. Funding from the Institute helps museums and libraries operate effectively and give value to their communities. It also leverages additional public and private support.

Collecting and disseminating results from funded projects, engaging in research, and publishing reports enables the Institute of Museum and Library Services to make a significant contribution to library, museum, and information policy and practice in the United States.

## ABOUT NATIVE AMERICAN/NATIVE HAWAIIAN MUSEUM SERVICES

Native American/Native Hawaiian Museum Services (NANH) promotes enhanced learning and innovation within museums and museum-related organizations, such as cultural centers organized by Native American tribes and organizations that primarily serve Native Hawaiians. The program provides opportunities to sustain heritage, culture, and knowledge through strengthened museum services in the areas of programming, professional development, and enhancement of museum services. Projects will benefit their communities and audiences by connecting people to ideas, information, and learning experiences.

For FY2009, the program invites applications that focus on activities in the following areas:

**Programming:** Services and activities that support the educational missions of museums and museum-related organizations, including (but not limited to) activities such as

- exhibits
- research and interpretation
- educational resources such as websites, curricula, digital content, and publications
- educational demonstrations and performances, including workshops, classes and presentations

**Professional Development:** Education or training that builds skills, knowledge, or other professional capacity for individuals who provide or manage museum services activities. Individuals can be paid or volunteer, and involved with museum services either currently or in the future. Activities include (but are not limited to)

- creation and offering of courses, workshops, in-person or distance learning offerings
- enrollment in courses, workshops, in-person or distance learning offerings
- attendance at conferences or other professional meetings
- hiring of consultants or technical assistance to strengthen museum services and activities
- organizational support for internships and fellowships (awards are not made to individuals)

**Enhancement of Museum Services:** Support for activities that enable or improve museum services, including (but not limited to)

- planning, including strategic planning, policy development, and disaster preparedness and risk management
- improvement implementation, including technology and other resources, equipment purchases, security, public access (construction projects are not allowed)
- heritage preservation, including collections care and management
- hiring of temporary or permanent staff to support museum services

Applicants are required to focus their proposed activities within one of the categories listed above.

## Outcomes-Based Planning and Evaluation (OBPE)

IMLS encourages the use of an approach called outcomes-based planning and evaluation (OBPE) when it is appropriate for the type of project to be conducted. Any project that identifies learning or education for any audience among its goals should plan to measure representative outcomes for that aspect of its work. Information about evaluation is available on the IMLS Web site at [www.imls.gov/applicants/obe.shtm](http://www.imls.gov/applicants/obe.shtm) or on request from IMLS. IMLS encourages applicants to consider participating in Shaping Outcomes, a Web-based course for which information is available at [www.shapingoutcomes.org](http://www.shapingoutcomes.org), or a similar learning experience in advance of application. Such programs are intended to help planners refine their purposes and evaluation plans.

## Museums and Libraries Engaging America's Youth

Museums and libraries have a rich array of resources—collections, staff, programs—that engage youth by inspiring curiosity and fostering learning. These cultural institutions also provide safe and welcoming environments for kids. Libraries and museums are essential community partners that have a significant role to play in helping youth succeed in school, work, and life. Through its *Museums and Libraries Engaging America's Youth* initiative, the Institute looked back at the youth-oriented programs it funded to examine what works and to share effective practices. A convening of practitioners, educators, and informal learning experts looked at elements of successful programs – such as positive environment, institutional support, professional development, and evaluation—and how museums and libraries can enhance their role as community partners. If you are applying for a Museums for America grant for a program that involves youth, please see these publications for tips and recommendations in designing effective programs, as well as for valuable resources and bibliography.

### Youth Resources (available at [www.imls.gov/youth](http://www.imls.gov/youth))

The **Final Report** shares the results of the year-long study on the impact of IMLS grants (1998-2003) through programs that served youth aged 9-19. Nearly 400 museum and library programs were surveyed about their goals, strategies, content, audience, and structure, as well as about their impact, effectiveness, and outcomes.

The **Practitioner's Guide** provides practitioners with the information needed for planning and implementing effective youth programs. It includes a variety of resources and references to critical works that have been gathered from the fields of youth and community development, education, and informal learning.

## CONFERENCE CALLS WITH NANH STAFF MEMBERS

IMLS offers an opportunity to discuss general issues about the NANH program with program staff. We do this through a conference call. We invite anyone who wishes to join the call to listen to comments made by IMLS and to those of other callers, as well as ask any questions you may have.

The conference call schedule for this program is:

Thursday, February 19, 2009 at 3:00 pm Eastern Time

Conference ID number 72456752; Dial in number 1-800-603-9527

Visit [www.ims.gov/applicants/grants/nativeServices.shtm](http://www.ims.gov/applicants/grants/nativeServices.shtm) closer to the date of the call for updates or additional information on this call.

## INSTITUTIONAL ELIGIBILITY

Museums are not eligible to apply for this grant program. Entities such as museums, libraries, schools, tribal colleges, or departments of education are not eligible applicants, although they may be involved in the administration of this program and their staff may serve as project directors, in partnership with an eligible applicant. Eligible applicants are:

- Indian tribes **or**
- Organizations that primarily serve and represent Native Hawaiians

For the purpose of funding under this program, “**Indian tribe**” means any tribe, band, nation, or other organized group or community, including any Alaska native village, regional corporation, or village corporation (as defined in or established pursuant to the Alaska Native Claims Settlement Act (43 U.S.C. Section 1601 et seq.)) which is recognized by the Secretary of the Interior as eligible for special programs and services provided by the United States to Indians because of their status as Indians. A list of eligible entities is available from the Bureau of Indian Affairs, except for the recognized Alaska native villages, regional corporations, and village corporations (Alaskan entities should refer to applicable provisions in the Alaska Native Claims Settlement Act, referenced above).

If a tribe has several bands, colonies, Rancherias, communities or other organizational entities listed in parentheses following a tribe name on the Department of Interior’s list of federally recognized tribes, only one of those entities may receive a grant in a fiscal year. For example, if a tribe has four bands, only one of the bands may apply for a grant in a fiscal year. It is the responsibility of the tribal chief executive to determine which entity will apply for the grant. IMLS will notify the affected tribes of any change in this policy.

For the purposes of funding under this program, “**organizations that primarily serve and represent Native Hawaiians**” means any nonprofit organization that primarily serves and represents Native Hawaiians, as the term is defined in 20 U.S.C. Section 7517, is also eligible for funding. The term “**Native Hawaiian**” means (a) any individual who is a citizen of the United States, and (b) a descendant of the aboriginal people who, prior to 1778, occupied and exercised sovereignty in the area that now comprises the state of Hawaii, as evidenced by genealogical records; Kapuna (elders) or Kamaaina (long term community residents) verification; or certified birth records.

IMLS recognizes the potential for valuable contributions to the overall goals of the Native American/Native Hawaiian Museum Services program by entities that do not meet the eligibility requirements above. Although such entities may not serve as the official applicants, they are encouraged to participate in projects as partners. Federally operated libraries and museums may not apply for the Native American/Native Hawaiian Museum Services grants, but they may serve as nonessential partners to applicants if they do not receive IMLS grant funds as a result of the project. Contact IMLS before submitting a proposal involving a federal agency or federal collection. Consult with IMLS about any eligibility questions before submitting an application.

## PARTNERSHIPS

IMLS encourages partnerships that are large enough to address the broadest possible needs. An application may include one or more partners. The lead applicant in a partnership must be eligible to apply as an individual entity, and all members of a partnership should be active contributors to and beneficiaries of project activities.

The members of the partnership shall designate one member of the partnership to apply for the grant. Any group application must contain a Partnership Statement that details the activities that each member of the partnership plans to perform and binds each member of the partnership to every statement and all assurances made by the applicant in the application. The applicant shall submit the Partnership Statement with the application.

By submitting the Partnership Statement with the application, the applicant affirms that (1) the partner is available and has agreed to participate, and (2) the Partnership Statement is true, complete, and accurate to the best of the applicant's authorized representative's knowledge. The applicant will ensure that each partner also provides a signed original version of the Partnership Statement to the applicant, and that this form will be made available to IMLS upon request.

If IMLS makes a grant to a partnership, the lead applicant for the partnership is the grantee and is legally responsible for the use of all grant funds and for ensuring that the project is carried out by the partnership in accordance with the terms of the grant and all applicable federal laws, regulations, and requirements. The lead applicant must be the fiscal agent, but may subcontract with partners for other specific activities or services. Each member of the partnership is legally responsible for carrying out the activities it agrees to perform and using the funds it receives in accordance with the terms of the grant and all applicable federal laws, regulations, and requirements.

## DATA UNIVERSAL NUMBERING SYSTEM (DUNS), TAXPAYER IDENTIFICATION NUMBER (TIN), AND EMPLOYER IDENTIFICATION NUMBER (EIN)

To improve the statistical reporting of federal grants and cooperative agreements, the Office of Management and Budget (OMB) has directed all federal agencies to require all applicants for federal grants to provide a Dun and Bradstreet Data Universal Numbering System (DUNS) number when applying for federal grants or cooperative agreements on or after October 1, 2003.

Organizations should verify that they have a DUNS number or take steps to obtain one. Organizations can receive a DUNS number at no cost by calling the dedicated toll-free DUNS number request line at 1-866-705-5711 or by visiting [www.dnb.com/us](http://www.dnb.com/us). Individuals who would personally receive a grant or cooperative agreement award from the federal government apart from any business or nonprofit organization they may operate are exempt from this requirement.

The Taxpayer Identification Number (TIN) is an identification number used by the Internal Revenue Service (IRS) in the administration of tax laws. It is issued either by the Social Security Administration (SSA) or by the IRS. A Social Security number is issued by the SSA, whereas all other TINs are issued by the IRS. An Employer Identification Number (EIN), also known as a federal tax identification number, is a nine-digit number that the IRS assigns to business entities. The IRS uses this number to identify taxpayers that are required to file various business tax returns.

If an organization does not have DUNS and TIN numbers, its application will be rejected.

## AWARD INFORMATION

Native American/Native Hawaiian Museum Services grants range from \$5,000 to \$50,000. Project activities supported by these grants may be carried out for up to two years.

### Project Start Date

Projects may begin no earlier than October 1 and no later than December 1, 2009. Projects must begin on the first day of the month and end on the last day of the month.

### Use of Funds

#### **Allowable Expenses include such items as**

- Project personnel, contract, or in-house staff time necessary for the proper and efficient execution of the project
- Project consultants and their travel
- Costs related to planning and maintenance of project partnerships
- Purchase of equipment, materials, supplies, or services
- Staff training
- Program development and implementation
- Exhibition design and fabrication (but see unallowable exhibit fabrication expenses below)
- Integration of technology into exhibition or educational programs
- Costs associated with evaluation of grant programs or activities
- Research
- Planning and policy development
- Publications
- Indirect or overhead costs
- Activities aimed at achieving intellectual control over the collection, including: inventory, daily maintenance, registration, planning, and cataloguing
- Collection conservation activities including the purchase of storage equipment (shelving, cabinets), installation of HVAC systems, treatment of objects/specimens, or collections surveys

All proposed expenses must be justified in the application budget.

#### **Unallowable Expenses include such items as**

- General museum fundraising costs, such as development office expenditures or other staff time devoted to general fundraising
- General advertising or public relations costs designed solely to promote the organization and not a specific project
- Construction and renovation of museum facilities. (Generally any activity involving contract labor in the construction trades is not an allowable cost.)
- Exhibit fabrication that includes creation of large-scale permanent structures for animals or objects that would involve contract labor of the construction trades. (*Note:* Applicants with questions about the eligibility of exhibition activities should call IMLS staff immediately.)
- Acquisition of collections
- Contributions to endowments
- Social activities, ceremonies, receptions, or entertainment
- Pre-grant costs

## **Cost Sharing**

Cost sharing is encouraged but not required in this program. IMLS does not allow federal funds to be used for cost sharing.

All cost-sharing expenses must be incurred during the grant period, not before or after. Tribes must maintain documentation of cost sharing for reporting purposes to IMLS. In-kind contributions may be used for cost sharing if they specifically relate to the project. If any funds are to be contributed as cost share by sources other than the applicant or its official partners, the applicant must identify whether the commitment of funds is assured or pending. If the funds are assured, the applicant should include a letter from the source affirming its commitment. If the funds are not assured, the applicant should describe its plan for meeting the promised cost share from other sources in the event that the pending funds are not received. IMLS (see, for example, 45 CFR Part 1183) and Government wide uniform administrative rules and requirements apply. Your cost sharing may consist of:

- cash contributions (funds allocated directly to the project by the applicant or a third party), and
- in-kind contributions (the value of noncash contributions provided by the applicant or a third party, e.g., staff time [if salaries are not paid with federal funds], volunteer time, materials and supplies, and services).

The limitation on using federal funding as cost share applies to salaries, equipment, services, etc., funded by federal dollars. Costs such as rent (if space is owned by the tribe), utilities, and insurance are considered to be part of indirect costs and will not be accepted as direct costs requested from IMLS, or as part of direct cost in-kind contributions if an indirect cost rate or the 15 percent administrative fee is charged to the project. If personnel or resources funded by federal dollars are a part of the project design and/or management plan, their role may be described in the application narrative. Indirect costs may be used as cost sharing. Indirect costs, often referred to as overhead costs, are not attributable to a specific project or activity of an organization.

## **Maintenance of Effort**

Although matching or cost sharing is not required in this program, IMLS requires that organizations maintain their previous funding efforts and demonstrate that federal funds will enhance, rather than replace, tribal funding for museum services. Applicants are encouraged, when possible, to contribute financially or through in-kind services to proposed projects in order to promote community interest and involvement.

## **Copyright/Work Products**

IMLS requires acknowledgment of IMLS assistance in all publications and other products resulting from the project. Products should be distributed for free or at cost unless the recipient has received written approval from IMLS for another arrangement. With written permission, the recipient may copyright any work that is subject to copyright and was developed under an award or for which ownership was purchased. IMLS reserves, for federal government purposes, a royalty-free, worldwide, nonexclusive, and irrevocable license to reproduce, publish, or otherwise use the work and authorize others to reproduce, publish, or otherwise use the work. IMLS requires that grantees provide three copies of any products produced with IMLS funds to IMLS with final reports.

## Project Evaluation

At the end of the project all grantees are required to submit a final performance report that documents project goals and project design, and that provides an analysis of the project. The report requires quantitative information on project activities and audiences reached. It also requires quantitative and qualitative data that documents project achievements, summarizes lessons learned, and documents outcomes (changes in individual's knowledge, skills, attitudes, behaviors, etc.) and, if applicable, large-scale or long-term results that affect one or more institutions, communities, or fields.

Applicants should include information in the application narrative that demonstrates that the project plan and evaluation design will enable the grantee to provide the data and analysis necessary to meet the requirements of the final report. See the final report form at [www.ims.gov/docs/rptInstructions.doc](http://www.ims.gov/docs/rptInstructions.doc) and a glossary of key reporting terms at <http://www.ims.gov/pdf/Glossary.pdf>.

IMLS encourages applicants to consider participating in *Shaping Outcomes*, a Web-based course for which information is available at [www.shapingoutcomes.org](http://www.shapingoutcomes.org), or a similar learning experience in advance of application. Such programs are intended to help planners refine their purposes and evaluation plans.

All applicants are expected to include the costs of evaluation, reporting, and dissemination in their project budget. Associated costs may be for consultants or staff, development of instruments, information collection, and analysis. Any of these may be budgeted as direct costs or cost share.

**Applicants are required to request travel funds to attend IMLS-designated meetings to share project information. Applicants should budget \$2,000 per year of the project for this IMLS designated travel.**

## Announcement of Awards

No information about the status of an application will be released until the applications have been reviewed and all deliberations are concluded. IMLS will notify applicants of final decisions in mid-September 2009, with projects to begin no earlier than October 1, 2009.

## APPLICATION REVIEW PROCESS

IMLS staff determines whether an applicant is eligible and whether an application is complete. If an applicant is determined to be ineligible as an official applicant, the applicant will be rejected without evaluation (see “Institutional Eligibility”), and notified by IMLS. Applicants are encouraged to call IMLS Senior Program Officer Sandra Narva prior to submission of their proposals to discuss their applications.

All eligible and complete applications for NANH grants will be evaluated by peer review. Reviewers will have professional experience in, or relating to, Native American and/or Native Hawaiian history and culture as well as experience with general museum operations. The IMLS Director will make the final funding decisions on the basis of the peer evaluations and the appropriateness of the projects to the goals of the NANH Grant program and the overall goals of IMLS.

# GUIDANCE FOR PROJECTS THAT DEVELOP DIGITAL PRODUCTS

## Information to Include in Application

In the application narrative, include a description of the subject matter and its significance, including relationships to related digital content. Explain how the material to be included in the project was or will be selected. Describe the additional value that any digital conversion or repurposing will bring to the materials, such as enabling innovative new uses or attracting new audiences. Describe how potential users will discover any new digital material. This application also includes a form, *Specifications for Projects That Develop Digital Products*, which must be completed and submitted with the application.

## Interoperability

Project design should demonstrate the use of existing standards and best practices for digital material where applicable; project products should be interoperable with other digital content. Grantees creating digital collections are expected to participate in the IMLS Digital Collections Registry, currently operated by the University of Illinois at Urbana Champaign. The Grainger Library has created a registry and a metadata repository of collections digitized with IMLS funding. (See the project site at <http://imlsdcc.grainger.uiuc.edu>).

## Digitization Plans

Projects that include digital conversion are strongly encouraged to develop a digitization plan before writing the grant application, and to include a copy of the plan as an attachment to the application.

## Resources for Digital Projects

IMLS has published *A Framework of Guidance for Building Good Digital Collections* as a resource for applicants planning a digital project. Now maintained by the National Information Standards Organization and available at [www.niso.org/framework/Framework2.html](http://www.niso.org/framework/Framework2.html), this document contains links to many Web sites with useful information for planning and implementing digital projects. IMLS offers a wealth of information, including lists of digital projects funded, at the Digital Corner on the IMLS Web site at [www.imls.gov/about/digitalCorner.asp](http://www.imls.gov/about/digitalCorner.asp).

The following list of resources will help applicants learn more about digital projects; it is neither complete nor an endorsement of any particular resource.

## Training

Many universities, organizations, and businesses provide training in digitization and related topics. The following are examples only—check the general resource lists above for leads to more training opportunities and the topic lists below for training resources in specific subject areas.

- [www.library.cornell.edu/preservation/tutorial/contents.html](http://www.library.cornell.edu/preservation/tutorial/contents.html)  
*Moving Theory into Practice: Digital Imaging Tutorial*, by Cornell University Department of Preservation and Collections Maintenance.
- [www.solinet.net/digital\\_services/ds\\_tmpl.cfm?doc\\_id=2506](http://www.solinet.net/digital_services/ds_tmpl.cfm?doc_id=2506)  
SOLINET (Southeastern Library Network) offers training in digital imaging, copyright, digital preservation, and other related topics.

- [www.oclc.org/education/workshops/default.htm](http://www.oclc.org/education/workshops/default.htm)  
 OCLC (Online Computer Library Center) provides seminars, workshops, and online training in digital projects, preservation, copyright, and other topics related to digitization.

## General

- [www.cdpheritage.org/digital](http://www.cdpheritage.org/digital)  
 The Collaborative Digitization Program's Web site (born as the Colorado Digitization Project) has a site devoted to resources that includes information about copyright, metadata, digitization standards, audio materials, and administrative concerns.
- <http://memory.loc.gov/ammem/ftpfiles.html>

# **PREPARING AND SUBMITTING AN APPLICATION**

---

# GRANTS.GOV INFORMATION AND INSTRUCTIONS

Organizations that are applying under the April 1, 2009, deadline for the Native American/Native Hawaiian Museum Services grants program must submit their applications through Grants.gov, the federal government's online application system. The Grants.gov system will accept applications through 11:59 P.M. Eastern Time on April 1, 2009.

All applicants must register with Grants.gov before submitting their application. **While the deadline is April 1, 2009, IMLS recommends strongly that applicants REGISTER EARLY and COMPLETE AND SUBMIT THEIR APPLICATION EARLY.** The multi-step registration process generally cannot be completed in a single day. Applicants who are not already registered should allow at least two weeks to complete this process. **DO NOT WAIT UNTIL THE WEEK OF THE APPLICATION DEADLINE TO REGISTER.**

## Find Grant Opportunities

[www.grants.gov/applicants/find\\_grant\\_opportunities.jsp](http://www.grants.gov/applicants/find_grant_opportunities.jsp)

- **Search opportunities**
  - Basic search
  - Browse by category
  - Browse by agency
  - Advanced search
  
- **Email subscription**
  - All grants
  - Advanced criteria
  - Specific Funding Opportunity Number (FON)
  - Unsubscribe

## Get Registered

[www.grants.gov/applicants/get\\_registered.jsp](http://www.grants.gov/applicants/get_registered.jsp)

- **Step 1: Register your organization**
  - Request a DUNS number
  - Register with CCR
  - Organization registration checklist
  
- **Step 2: Register yourself as an Authorized Organization Representative (AOR)**
  
- **Step 3: Get authorized as an AOR by your organization**

## Apply for Grants

[www.grants.gov/applicants/apply\\_for\\_grants.jsp](http://www.grants.gov/applicants/apply_for_grants.jsp)

### Step 1: Download a grant application package

**Use one of the following identifiers to locate the  
Native American/Native Hawaiian Museum Services package:  
CFDA No: 45.308  
Funding Opportunity Number: NANH-FY09**

IMLS applicants must download two packages to get all of the necessary forms and instructions:

1. *Download Application Instructions:* This package contains the grant application guidelines (which include instructions for completing the application) and the IMLS forms for budget, program information, and any others related to this specific program.
2. *Download Application Package:* This package has the face sheet (SF-424s, "Application for Federal Domestic Assistance/Short Organizational Form"), Abstract, and the Attachments form.

### Step 2: Complete the grant application package

### Step 3: Submit the completed grant application package

*Important deadline information:* Applications must be received by 11:59 p.m. Eastern time on April 1, 2009 in the Grants.gov system. Within 48 hours of submitting a grant application, applicants will receive two email messages from Grants.gov:

- The first will confirm receipt of the application by the Grants.gov system.
- The second will indicate that the application has either been successfully validated by the system prior to transmission to the grantor agency OR has been rejected due to errors.

Only applications validated by the Grants.gov system will be available to IMLS for the grant review process.

*Applicants are encouraged to not wait until the final hours prior to the deadline to submit their applications. Submitting early may enable an applicant to deal with unexpected problems.*

### Step 4: Track the status of a submitted grant application package

## Grants.gov Help

For direct assistance with Grants.gov, contact the Grants.gov Help Desk via e-mail at [support@grants.gov](mailto:support@grants.gov), or call them at 1-800-518-4726 from 7:00 A.M. to 9:00 P.M. Eastern time, Monday through Friday.

The Grants.gov help desk will assign a case number to each inquiry. This number only documents the inquiry to the help desk and is in no way related to the tracking number that Grants.gov will assign an application once it has been successfully submitted.

Help is also available on the Grants.gov website: [www.grants.gov/help/help.jsp](http://www.grants.gov/help/help.jsp)

  - CCR FAQs: [www.ccr.gov/FAQ.aspx](http://www.ccr.gov/FAQ.aspx)

NOTE: Once an organization has registered with the CCR, the registration must be renewed each year. Go to: [www.ccr.gov/Renew.aspx](http://www.ccr.gov/Renew.aspx).

**For additional hints on working with Grants.gov, please see the list of ten tips on the back page of these Grant Program Guidelines.**

# PREPARING AN APPLICATION

## Application Components

An application requesting funding from the NANH grant program must include the materials listed below. Each component is in one of the following formats:

- **Grants.gov form:** These forms are available only in the package downloaded from Grants.gov. Applicants will need the Adobe Acrobat Reader to fill out these forms.
- **IMLS form:** These forms are available in both Microsoft Word document and Fill-in PDF formats, and are located in both the downloaded Grants.gov file and the IMLS Web site. While the Word versions of the forms are provided for convenience, please note that **completed forms must be submitted as PDF's**. For assistance in converting documents to PDF, visit [www.ims.gov/pdf/PDFConversion.pdf](http://www.ims.gov/pdf/PDFConversion.pdf).
- **Text document:** Applicants should create these documents using their own word processing or other software. Again, they **must be attached to the application as PDF's**.

### Component:

1. Face sheet: the Application for Federal Domestic Assistance/Short Organizational Form (SF-424S)
2. Abstract
3. Program Information Sheet
4. Narrative (not to exceed 5 pages)
5. Detailed Budget, replicated for each year of the project
6. Summary Budget
7. Budget Justification, a narrative of up to 2 pages to describe expenses as listed in the budget forms
8. Schedule of Completion
9. Exhibition Summary (if applicable)
10. Partnership Statement (if applicable)
11. Specifications for projects that develop digital products (if applicable)
12. List of key project staff and consultants and brief (no more than 2 pages per person) résumés for key project personnel
13. Letters of commitment (if applicable)
14. Statement of purpose/mission statement and history
15. Proof of eligibility (Native Hawaiian organizations only)
16. Current federally negotiated rate for indirect costs (if applicable)
17. Supporting Documents (not to exceed 20 pages)

### Format:

## Attachments: Naming the Files and their Sequence

The IMLS forms and text documents that are part of the application must each be saved as a PDF that is named according to the list below. **Note:** IMLS will not convert files for applicants and will not accept file formats other than PDF. For assistance in converting documents to PDF, visit [www.imls.gov/pdf/PDFConversion.pdf](http://www.imls.gov/pdf/PDFConversion.pdf).

Append all of the documents to the Attachments Form in the prescribed sequence. If there are more attachments than will fit on one Attachments Form, please use the Optional Attachments Form for the remaining ones, following the same naming convention.

**The Face Sheet (SF 424S) and the Abstract are Grants.gov forms that will automatically be saved as PDF's. See page 28 for further instructions on how to compose and submit the Abstract.** The table below is for all of the other application components that are appended to the Attachment form.

Document	File name to use	Attach in this order
Program Information Sheet	ProgramInfo.pdf	1
Narrative	Narrative.pdf	2
Detailed budget form [by year, as appropriate]	DetailedBudgetYear1.pdf DetailedBudgetYear2.pdf	3a 3b
Summary budget form	SummaryBudget.pdf	4
Budget justification	BudgetJustification.pdf	5
Schedule of completion	ScheduleOfCompletion.pdf	6
Exhibition Summary [as appropriate]	ExhibitionSummary.pdf	7
Partnership Statement	PartnershipStatement.pdf	8
Specifications for digital products	DigitalProducts.pdf	9
Project staff and resumes	ProjectStaff.pdf	10
Letters of Commitment	LetterOfCommitment1.pdf LetterOfCommitment2.pdf etc.	11a 11b etc.
Institutional Statement of Purpose/Mission	StatementOfPurpose.pdf	12
Proof of Eligibility [for Native Hawaiian organizations only]	ProofOfEligibility.pdf	13
Indirect Cost Rate form	IndirectCostRate.pdf	14
Supporting documents [numbered, as appropriate]	SupportingDocument1.pdf SupportingDocument2.pdf SupportingDocument3.pdf etc.	15a 15b 15c etc.

## SF-424s

The IMLS Face Sheet is the equivalent of the “Application for Federal Domestic Assistance/Short Organizational Form (SF-424s)” on Grants.gov.

Items 1 – 4 are automatically filled in by Grants.gov.

### 5. Applicant Information

a. Legal Name: Enter the legal name of the organization that is making the application. Please see “Institutional Eligibility” for eligibility details. If the eligible entity does not have the authority to apply directly to IMLS for funding, enter the name of the parent organization that is submitting the application on behalf of the eligible entity. Enter the name of the eligible entity in the space provided for “Organizational Unit” on the Program Information Sheet, Question 1b.

b. Address: Use Street1 for the organization’s street address or post office box number, whichever is used for its U.S. Postal Service mailing address. Street2 is not a required field and should be used only when a Suite or Room Number or other similar information is part of the address.

In the Zip+4/Postal Code box, enter the **full nine-digit** Zip code assigned by the U.S. Postal Service. An organization’s full Zip code can be retrieved at [www.usps.com/zip4](http://www.usps.com/zip4).

d. Type of Applicant: Select the one code that best characterizes the applicant organization from the menu in the first dropdown box. Leave the other boxes blank. The following types of applicants are not eligible to receive NANH Grants:

- Individuals
- Public/Indian Housing Authority
- For-profit organization
- Small business
- Non-domestic (non-U.S.) entity

e. EIN/TIN: Enter the nine-digit number assigned by the IRS; do not use a Social Security number.

f. Organizational DUNS: All organizational applicants for federal funds must have a DUNS number. If applying through Grants.gov, ensure that the number entered here agrees with the number (either 9 or 13 digits) that was used with the CCR (Central Contractor Registry) as part of the Grants.gov registration.

g. Congressional District: Enter the number of the congressional district in which the applicant organization is located. Use the following format: two-letter state abbreviation, followed by a hyphen, followed by the three-digit district number. For example, if the organization is located in the 5th Congressional District of California, enter “CA-005.” For the 12<sup>th</sup> district of North Carolina, enter “NC-012.” For states and territories with “At Large” congressional districts--that is, one representative or delegate represents the entire state or territory--use “001”, e.g., “VT-001.”

If an organization does not have a congressional district (e.g., it is located in a U.S. territory that does not have districts), enter 00-000. To determine an organization’s district, visit the House of Representatives Web site at [www.house.gov](http://www.house.gov) and use the “Find Your Representative” tool.

## **6. Project Information**

a. Project Title: Provide a brief descriptive title.

b. Project Description: Briefly describe the specific project, not the applicant organization. Use clear language that can be understood readily by readers who may not be familiar with the discipline or subject area.

c. Proposed Project Start Date/End Date: Enter the beginning and ending dates for the requested period of support, that is, the span of time necessary to plan, execute, and close out the proposed project. NANH grant projects must begin between October 1, 2009 and December 1, 2009. Start dates must be the first day of a month and end dates must be the last day of a month.

## **7. Project Director**

Provide the requested information for the Project Director, who will be responsible for carrying out the project and who will serve as the key contact person with IMLS regarding the progress achieved under the grant. Leave the Social Security Number blank. Select a prefix (even though this field is not required on Grants.gov).

## **8. Primary Contact/Grants Administrator**

Provide the requested information for the individual who should be contacted on all matters involving this application and the administration of any grant that may be awarded. For colleges and universities, this person is often a sponsored research, sponsored programs, or contracts and grants officer. In some museums, the person could be the development director. Leave the Social Security Number blank. Select the appropriate prefix (even though this field is not required on Grants.gov). In some organizations, particularly smaller ones, this individual may be the same as the Project Director. If this is the case, check the "Same as Project Director" box. (If the primary contact/grants administrator is the same as the Authorized Representative, please complete all items under both 8 and 9 even though there will be some repetition.)

## **9. Authorized Representative**

Enter the name and contact information of the person who has the authority to apply for federal support of the applicant's activities and enter into legal agreements in the name of the applicant. The Authorized Representative should not be the same person as the Project Director. By checking the "I Agree" box at the top of Item 9, this individual certifies the applicant's compliance with relevant federal requirements (the "IMLS Assurances and Certification" section). All written correspondence will be addressed to the authorized representative.

For Grants.gov applications, the "Signature of Authorized Representative" and "Date Signed" boxes will be populated upon submission of the application. Submission of the application by the Authorized Representative certifies compliance with relevant federal requirements as the signature does on a paper application.

## Abstract

A Project Abstract not exceeding one single-spaced (660-word maximum) page. Insert the text into the Abstract space provided in the package downloaded from Grants.gov.

Information in the abstract should cover the following areas as related to the proposed project:

- Who is the lead applicant and who are the formal partners (if applicable)?
- What is the time frame for the project?
- What will be the project's activities, outcomes, and tangible products?

This abstract may be used by IMLS for public information purposes, so it should be informative to other persons working in the same or related fields and insofar as possible understandable to a technically literate lay reader. The abstract must not include any proprietary or confidential information.

## Program Information Sheet

### 1. Applicant Information

a. Legal Name: Enter the legal name of the applicant.

b. and c. Organizational Unit and Address:

If the eligible entity cannot apply for grants on its own behalf, then enter the name and address of the entity in these spaces. For example, if a museum that is part of a parent organization, such as a university, is applying, the university would be the legal applicant, and the museum would be entered as the organizational unit. Be sure to include the four-digit extension on the Zip code.

d. Web Address: If an organizational unit is listed, enter its Web address here. If not, enter the Web site of the entity listed under Legal Name.

e. Type of Institution: Select the one that most accurately describes the applicant.

### 2. Grant Program or Grant Program Category

Select 'k' Native American/Native Hawaiian Museum Services.

### 3. Request Information

a. IMLS Funds Requested: Enter the amount sought from IMLS.

b. Cost Share Amount: This program does not require cost sharing. See section on cost sharing (page 12) for details.

### 4. Museum Profile (Museum Applicants only)

Museum applicants must answer all questions in this section.

### 5. Project Partners

List the names of any organizations that are official project partners (if applicable).

**6. Native Hawaiian Organization Eligibility**

Complete this section only if applicant is an organization servicing Native Hawaiians. If “yes” is selected, proof of eligibility is required with submission of application—see section on Proof of Eligibility (page 38) for details.

**7-8. Do not complete**

## **Narrative**

Limit the narrative to five single-spaced, numbered pages. The applicant's name must appear at the top of each page.

All pages should have at least 0.5 inch margins on all sides, and the font size should be no smaller than twelve point type. Use the Optional Attachments to provide supplementary material.

The following pages provide guidance in preparing the narrative component of the NANH grant application. There are four sections to the narrative. Applicants must address each section and related review criteria separately, and in the same order in which they are listed below.

Review criteria are listed with each section of the narrative. These criteria describe what the reviewers are instructed to consider as they evaluate the proposal. A well-designed proposal narrative is thorough and succinct while addressing the bullet points under each section as well as the review criteria.

IMLS reviewers base their evaluations only on the information presented in the application. This makes it very important for applicants to prepare a clear, concise, well-organized document.

### **1. Statement of Need**

Include a statement of need as it relates to the museum and the community. Include information such as

- a description of the community
- current status of the museum
- how the proposal will improve museum services
- impact on the community from improved museum services

Review Criteria: Evidence that the applicant has performed a formal or informal assessment of museum and community needs, and has developed the project and its goals as the best solution to answer those needs.

### **2. Project Design**

Include a description of the proposed project design. Include information such as

- project goals and objectives
- action steps and activities to implement the project evidence that the applicant is capable of implementing the project plan
- evidence that the applicant is capable of successfully completing the project

Review Criteria: Evidence that the project proposes efficient, effective, and reasonable approaches to accomplish its clear goals and objectives. Evidence that the methodology and design are appropriate to the scope of the project. Evidence that the applicant will effectively complete the project. Evidence that the project personnel possess appropriate experience and will commit adequate time to accomplish project goals and activities.

### **3. Project Resources: Time, Personnel, Budget**

Describe project resources, both those funded by the grant and those funded by the optional institutional cost share. Include information such as

- time allocated to complete project;
- key staff and consultants involved in project, their qualifications, commitment to project activities, and how they will balance project responsibilities with other ongoing duties;
- budget allocated to accomplish project activities, including both the applicant's contributions and the optional cost share.

Review Criteria: Evidence that the applicant will effectively complete the project activities through the deployment and management of resources, including money, facilities, equipment, and supplies. Evidence of sound financial management, coupled with an appropriate and cost efficient budget. Evidence that the project personnel demonstrate appropriate experience and expertise and will commit adequate time to accomplish project goals and activities. For this section of the application, reviewers will consider the Narrative, Budget Forms, Budget Justification, and Resumes.

#### **4. Impact**

Describe how the project will impact the museum and what approach will be used for monitoring and assessing the activities of the project. Include information such as

- specific outcomes that will result from the project
- plan to maintain and continue the positive changes after the period of federal funding  
what information will be collected to document the extent to which the project met its goals

Review criteria: Evidence that the project will create specific changes and benefits for the applicant, and/or the community served. Evidence that the applicant has plans to sustain those changes and benefits beyond the grant period. Evidence that the evaluation plan ties directly to the project goals and is appropriate in determining project impact.

## Budget

The application requires three elements to describe the costs of a proposed project:

- Detailed Budget
- Summary Budget
- Budget Justification

### Detailed Budget

Applicants need to fill out a copy of the Detailed Budget Form for each year of the project. The first copy of the Budget Form must begin on the project start date and end 12 months later. Should the final year of the project include fewer than 12 months, a separate detailed budget form must be completed for that time period. Applicants using the PDF can fill out the form for one year, save it, then fill it out again for the remaining years. Applicants will notice that the columns total automatically.

The budget should include the project costs that will be charged to grant funds as well as those that will be supported by the applicant or third-party in-kind contributions (cost sharing). In-kind contributions include the value of services or equipment that is donated to the project free of charge. Remember to include costs for evaluation, which, like many costs, may fall under any or all of these categories. All of the items listed, whether supported by grant funds or cost-sharing contributions, must be reasonably necessary to accomplish project objectives, allowable in terms of the applicable federal cost principles, auditable, and incurred during the grant period. Charges to the project for items such as salaries, fringe benefits, travel, and contractual services must conform to the written policies and established practices of the applicant organization. When indirect costs are charged to the project, care should be taken to ensure that expenses included in the organization's indirect cost pool (see "Indirect Costs" below) are not charged to the project as direct costs.

"Method of Cost Computation" can refer to a percentage of a person's time devoted to the project, a number of days, a quantity of items, and so on. This column should clarify how the applicant arrived at the costs indicated.

1. **Salaries and Wages:** Indicate both temporary and permanent staff by noting "temp" or "perm" in parentheses after each staff member listed.
2. **Fringe Benefits:** Fringe benefits may include contributions for Social Security, employee insurance, pension plans, and so on. Only those benefits not included in an organization's indirect cost pool may be shown as direct costs.
3. **Consultant Fees:** List the individuals or groups who will provide consultative services on the grant and their fees, and explain the method of computation for the fees.
4. **Travel:** Applicants must include \$2,000 per year for travel to attend IMLS-designated meetings. The lowest available commercial fares for coach or equivalent accommodations must be used, and foreign travel must be undertaken on U.S. flag carriers when such services are available.
5. **Supplies and Materials:** In general, list the costs of material purchased specifically for the proposed project. Permanent equipment is defined as nonexpendable personal property having a useful life of more than one year and an acquisition cost of \$5,000 or more.

6. **Services:** List the costs of project activities to be undertaken by a third-party contractor, including a partner, under this budget category as a single line item that shows the amount that will be charged to IMLS grant funds and the cost sharing that will be contributed by the third party. Attach a complete itemization of these costs to the IMLS Budget Form. If there is more than one contractor, list the cost of each contract separately on the IMLS Budget Form and include an attached itemization.
7. **Student Support:** Ignore this section. It does not apply to NANH.
8. **Other Costs:** Please do not use the "Other Costs" section to list items that did not fit in the number of lines allotted for another section. If more lines are needed, the information should be summarized in the Detailed Budget Form and further explained in the Budget Justification.
9. **Total Direct Costs:** Add up the subtotal amounts from the previous sections.
10. **Indirect Costs:** Indirect costs are project costs that an organization incurs that cannot be easily assigned to an individual project. They are also called "overhead" or "administrative costs." Examples of indirect cost type items are charges for utilities, insurance, use of office space and equipment owned by the applicant, local telephone service, and the salaries of the management and administrative personnel of the organization.
11. **Total Project Costs:** Complete the first line; ignore the second line, which is specific to another IMLS grant program.

Organizations that do not have a federally negotiated indirect cost rate and do not wish to negotiate one may charge an administrative fee to the project of up to 15 percent. IMLS will pay this administrative fee only on that portion of direct project costs that are supported by IMLS funds. This fee may also be applied to the direct project costs that will be supported by the applicant and may therefore be counted as part of the applicant's cost sharing. If an applicant chooses this option, it must be careful to exclude all indirect-cost type items from the budget and the fee may not be applied to more than the first \$5,000 of distorting costs such as equipment purchases or subcontracts.

If an organization has a federally negotiated indirect cost rate that will be current on the date of award, as cited on the award notification, this rate may be used to determine total project costs, as long as the rate is applied in accordance with the negotiated agreement and a copy of the negotiation is forwarded to IMLS with the application.

However, IMLS will pay indirect costs only on the portion of the direct costs that are supported by IMLS funds. Indirect costs that are related to the direct project costs that will be supported by the applicant may be included in the budget only as a part of the applicant's cost sharing. IMLS will not accept an indirect cost rate that is scheduled to expire before the award is issued. Institutions must use a federally negotiated indirect cost rate appropriate to the type of project proposed. For example, a rate for research may be used only for research projects.

An organization that is in the process of negotiating an indirect cost rate with a federal agency may apply the proposed rate of estimate total project costs as long as it follows the instructions in the previous paragraph in applying the rate and includes the indirect cost proposal in the

application material. IMLS will not pay any indirect costs until a rate is negotiated and a copy of the final agreement is submitted to the IMLS Office of Grants Administration. It is possible that the amount of the award will be reduced if the final negotiated rate is less than the rate that was used in the application budget. However, the amount of the award will not be increased if the negotiated indirect cost rate is higher than the rate proposed in the application. Once an indirect cost rate is accepted by IMLS, the rate shall be considered fixed for the duration of the award even if, during the course of the award, the grantee negotiates a new indirect cost rate.

If a grantee has one or more predetermined rates negotiated at the time of the award, e.g., 30 percent the first year and 32 percent the second year, these rates may be used in the project budget. However, in the example given above, if the grant period ran more than two years, the last predetermined rate would apply not only to the second year of the grant but also to any subsequent years.

The cost of student scholarships, fellowships, other stipends, and/or tuition may not be included in the amount on which indirect costs are requested.

These instructions also apply to an organization that will function as a partner in undertaking grant activities.

### **Summary Budget**

The Summary Budget should clearly identify the amount requested from IMLS and the amount provided as in-kind contributions by the applicant, by any partners, and from any other sources.

### **Budget Justification**

The Budget Justification is a text document that explains all elements of the Detailed Budget. For example, the Budget Justification should explain the role that each person listed in the project budget will play. It should also provide justification for all proposed equipment, supplies, travel, services, and other expenses. The application should provide specifications for all hardware and software for which IMLS funding is requested. The text document must not exceed two pages in length.

If IMLS funding is requested for salaries of permanent staff, the proposal should explain why funds are requested for this purpose and how the regular duties of these individuals will be performed during the grant period. The Budget Justification should explain the role of any outside consultants and third-party vendors to be employed on the project and how each was identified and selected. Costs for third-party service providers should be documented by bids or otherwise justified. The cost of project activities to be undertaken by a third-party contractor, or a partner, should be listed under "Services" on the Detailed Budget as a single line item that shows the amount that will be charged to IMLS grant funds and the cost sharing that will be provided by the third party. A complete itemization of these costs should be included as part of the Budget Justification. If there is more than one contractor, the cost of each contract must be listed separately on the IMLS Budget Form and an itemization must be included as part of the Budget Justification.

## Schedule of Completion

The applicant must provide a Schedule of Completion that shows when each major project task will be undertaken, marks the milestones for each grant activity, and designates how grant funds are to be spent throughout the project. The Schedule of Completion must also correspond to the activities described in the narrative and the project dates on the Face Sheet and Budget Forms. One way to plot this information is in a graph or chart that lists project activities and the corresponding months when these activities will take place during the project. This document may be created as a narrative or spreadsheet, and should be no longer than one page per year. See example below. Applicants may prepare theirs in a similar manner, but this format is not required. Whatever format is selected, be sure to list each major project activity addressed in the application narrative and the date each activity begins and ends. It is critical that the dates on the Schedule of Completion correspond to the project dates on the Application for Federal Domestic Assistance/Short Organizational Form (SF-424s; also known as the Face Sheet). If the proposed activity is part of a larger project, make sure the IMLS-funded portion is clearly identified.

## **Exhibition Summary (if applicable)**

If applying for an exhibition-related activity (for example, exhibition development, public programs, Web site or other digital content) a one-page maximum exhibition summary must be included that addresses the exhibition theme, content, size, and any other pertinent details.

## **Partnership Statement**

Complete a Partnership Statement for each formal partner involved in the proposed project. Applicants should save each Partnership Statement with a distinct file name that includes the word “*Partner*” and a short form of the partner’s name—e.g., PartnerCornell.pdf or PartnerNOMA.pdf. Then add each document to the Attachments form, following the sequence in the Application Checklist. At the top of the Partnership Statement, enter the legal name of the applicant organization. This information should match that provided on the SF-424s and the Program Information Sheet.

### **1–5 (if applicable)**

Provide all of the information requested for the partner organization. If the partner organization does not have a DUNS number, refer the partner to page 10 within these guidelines for information and instructions on how to secure one. To obtain a full Zip+4 postal code, visit [www.usps.com/zip4](http://www.usps.com/zip4).

### **6. Governing Control of Partner (if applicable)**

Check one box to indicate the partner’s governing control.

### **7–9.**

Provide the information requested for each of these items. The limits on the amount of text allowed are given in the item statement on the form. The applicant must ensure that each partner also provides a signed original version of the Partnership Statement to the applicant, and that the applicant will make this form available to IMLS if requested by IMLS.

## Specifications for Projects that Develop Digital Products

For a list of resources on digitization projects, see pages 15-17. This list is intended to help applicants learn more about digitization projects and is neither exhaustive nor an endorsement of any particular resource. Some of the questions on this form may not apply to all projects, but please answer all that are applicable.

### Part I.

Complete the appropriate sections. Select Box A, B, or C, or any combination of these boxes, depending on the original material and the digital products to be developed.

#### *Box A. Converting Nondigital Material to Digital Format*

1. Explain the type of original **nondigital** materials to be selected for digitization, such as text, photographs, three-dimensional art objects, archaeological artifacts, maps, motion pictures, video, etc., and give the quantity of each type. (For audio, video, and motion picture materials, give the total number of minutes or hours to be digitized.) Describe the original format of each type of material to be digitized.
2. Identify all use or access restrictions covering the original material to be digitized. Check the intellectual property condition and give the corresponding percentage of the original material that will be digitized.
3. Describe the terms of access and use that will apply to the newly digitized material being created by the project. Identify and explain any restrictions that will apply to the digitized material, and specify what percentage, if any, of the total material will be subject to restrictions. (Examples are copyright, no downloading, registration, etc.)
4. Explain what equipment and software will be used and include specifications that are relevant to the work of the project (such as cameras with zoom capability, scanners, servers, motorized object rigs, etc.). Equipment and software must be described whether the digitization is to be done in-house or outsourced to a contractor or partner.

#### *Box B. Repurposing Digital Content*

1. Explain the original materials whose **digital** form will be repurposed, such as digital text (e.g., oral history transcripts), photographs, video, audio, Web files, etc., and give the number of each type. Describe the **digital format** and the amount of the material that will be repurposed.
2. Identify copyright and other potential restrictions with regard to the original digital material. Check the intellectual property condition and give the corresponding percentage of the digital material to be repurposed.
3. Describe the terms of access and use of the newly repurposed digital material. Identify and explain any restrictions that will apply to the repurposed digitized material, and specify what percentage, if any, of the total material will be subject to restrictions. (Examples are copyright, no downloading, registration, etc.)
4. Explain what equipment and software will be used and include specifications that are relevant to the work of the project. Equipment must be described whether the repurposing will be done in-house or outsourced to a contractor or partner.

#### *Box C. Creating New Digital Content*

1. Explain the types of digital content that will be created, such as digital text (e.g., oral history transcripts), photographs, video, audio, Web files, etc. and give the quantity of each type.
2. Describe plans to obtain releases/ permissions from project content creators (such as filmmakers) and subjects (such as oral history interviewees).
3. Describe the disposition of ownership and use rights of the new product.
4. Explain what equipment and software will be used and include specifications that are relevant to the work of the project (e.g., camera, audio recording equipment, video recording equipment, encoding software, server). Equipment must be described whether the content will be created in-house or outsourced to a contractor or partner.

**Part II. Answer all questions.**

5. Specify the file formats to be produced and the anticipated quality of each format (e.g., minimum resolution, depth, tone, pixel dimensions, file size, sampling rate). If watermarks or other features will be used, explain. For other media, (for example, audio, video, or motion pictures), provide appropriate specifications. Provide information for Master, Access, and Thumbnail versions.
6. Describe the medium that will deliver the digital material (e.g., Internet streaming or download, broadcast, DVD).
7. Describe the underlying software to manage and/or present the content (e.g., DSpace, Fedora, ContentDM).
8. Describe plans for ensuring the quality of the digital product.
9. Explain how descriptive and administrative metadata will be produced and used to describe and manage the content. Include the standards that will be used for data structure, content (e.g., thesauri), protocols, preservation and administrative information, and communication of the content (e.g., MARC, EAD, Dublin Core, PBCore, VRA Core Categories, or Categories for the Description of Works of Art).
10. Describe plans for preserving and maintaining the digital material during and after the grant period. The plan should cover storage systems and media to be used, migration plans, maintenance responsibilities, and commitment of institutional funding support.
11. If content will be provided on the Internet, indicate agreement to submit collection level records for digital products to the IMLS Digital Collection and Content Registry. State reasons for selecting alternative approaches.
12. Provide URL(s) for applicant's previously digitized collections, if applicable. If the proposed digital collection will differ substantially in look and feel from collections previously digitized, explain what the difference will be.

## **Key Project Staff and Consultants and Resumes**

1. Provide a one-page list of the key project staff and the consultants who will be directly involved in the program.
2. Add resumes or curriculum vitae of no more than two pages each for all key personnel (both staff and consultants). Resumes that exceed the two-page limit will have the remaining pages removed by IMLS staff. Add a page break at the end of the list of personnel, and then add page breaks at the end of each of the resumes/vitae.

*Note:* If the key project personnel have not been selected by the application deadline date, then submit position descriptions instead of resumes.

## **Letters of Commitment (if applicable)**

Applicants must submit a letter of commitment for each project consultant. The letter should include confirmation that the consultant will work on the project if funded, dates of service, scope of work, and fee structure. The information in this letter must correspond to the information in the application narrative.

## **Statement of Purpose/Mission Statement and History**

The Statement of Purpose/Mission Statement should include the applicant organization's mission statement that must note the source, approving body, and date of the official document in which it appears. The applicant may quote from or summarize to convey the essential points of the statement, if the statement is too long to be quoted in full. It must accurately portray the museum's purpose or mission. Use the remaining space on the page to include a brief history of the museum or applicant organization. This document must be one page or less.

## **Proof of Eligibility**

Required for Native Hawaiian organizations only. If the applicant is not a Native Hawaiian organization, do not include this information in application.

Applicants must submit proof that they are eligible not-for-profit organizations that primarily serve and represent Native Hawaiians (as defined in 20 U.S.C. Section 7517). As proof of eligibility, applicants must submit the organization's charter documents, including the organization's articles of incorporation. Applicants may provide additional proof of eligibility.

In addition, eligible not-for-profit organizations that primarily serve and represent Native Hawaiians must submit proof of not-for-profit status, which may be either

- a copy of the IRS letter indicating the organization's eligibility for not-for-profit status under the applicable provisions of the Internal Revenue Code of 1954, as amended, or
- an official document identifying the organization as a unit of state or local government or other tax-exempt multipurpose organization. If prepared specifically for this application, the certification must be on the parent organization's letterhead and certified by an official of the parent organization.

*Note:* IMLS will not accept a letter of sales tax exemption as proof of nonprofit status.

## **Federally Negotiated Indirect Cost Rate Agreement**

If the institution has a federally negotiated indirect cost rate agreement that will be current at the time the project will begin then the applicant may submit this document and claim the approved rate on the IMLS budget forms.

## **Supporting Documents for NANH Applicants**

Supporting documents should specifically relate to the justification for the project. IMLS encourages applicants to include only information that will supplement the narrative and support the information provided in the application. Applicants should not use attachments to answer narrative questions. IMLS strongly encourages inclusion of needs assessments (formal or informal documentation used to evaluate and plan projects, which can include surveys, reports, etc.); reports from planning activities; products or evaluations from previously completed or ongoing projects of a similar nature; or other documents for the evaluation of the proposal. Other attachments could include letters of support from partners or other groups that the museum works closely with on this project, collections, technology, or other departmental plans for the institution as applicable to the proposed project.

*Note:* When attaching these documents give each one a specific title that clearly identifies what type of document it is. All supporting documentation should include dates of creation and authorship. The total number of attachments must not exceed 20 pages in length. IMLS will remove any supplemental materials above the 20-page limit. They will not be sent to field reviewers as part of your application.

# **IMLS ASSURANCES AND CERTIFICATION**

---

IMLS is required to obtain from all applicants certifications regarding federal debt status, debarment and suspension, nondiscrimination, and a drug-free workplace. Applicants requesting more than \$100,000 in grant funds must also certify regarding lobbying activities and may be required to submit a "Disclosure of Lobbying Activities" (Standard Form LLL). (Note: the maximum grant for this particular program is \$50,000.) Some applicants will be required to certify that they will comply with other federal statutes that pertain to their particular situation. These requirements are incorporated in the Assurances Statement below. The authorized representative must review the statement and provide the certification in item 9 on the Application for Federal Domestic Assistance/Short Organizational Form (SF-424s).

## **Assurances Statement**

By signing the application form, the authorized representative, on behalf of the applicant, assures and certifies that, should a grant be awarded, the applicant will comply with the statutes outlined below and all related IMLS regulations, which are found in 45 CFR. Chapter XI. These assurances are given in connection with any and all financial assistance from IMLS after the date this form is signed, but may include payments after this date for financial assistance approved prior to this date. These assurances shall obligate the applicant for the period during which the federal financial assistance is extended. The applicant recognizes and agrees that any such assistance will be extended in reliance on the representations and agreements made in these assurances, and that the United States government has the right to seek judicial enforcement of these assurances, which are binding on the applicant, its successors, transferees, and assignees, and on the authorized official whose signature appears on the application form.

## **Certifications Required of All Applicants**

### **Financial, Administrative, and Legal Accountability**

The authorized representative, on behalf of the applicant, certifies that the applicant has legal authority to apply for federal assistance and the institutional, managerial, and financial capability (including funds sufficient to pay the nonfederal share of project costs) to ensure proper planning, management, and completion of the project described in this application.

The authorized representative, on behalf of the applicant, certifies that the applicant will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 (31 U.S.C. § 7501 et seq.) and OMB Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations."

The authorized representative, on behalf of the applicant, certifies that the applicant will comply with the provisions of applicable OMB Circulars and corresponding regulations.

### **Federal Debt Status**

The authorized representative, on behalf of the applicant, certifies to the best of his or her knowledge and belief that the applicant is not delinquent in the repayment of any federal debt.

## **Debarment and Suspension**

The applicant shall comply with 2 CFR Part 3185. The authorized representative, on behalf of the applicant, certifies to the best of his or her knowledge and belief that neither the applicant nor any of its principals:

- (a) Are presently excluded or disqualified;
- (b) Have been convicted within the preceding three years of any of the offenses listed in 2 CFR section 180.800(a) or had a civil judgment rendered against it or them for one of those offenses within that time period;
- (c) Are presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses listed in 2 CFR section 180.800(a); or
- (d) Have had one or more public transactions (Federal, State, or local) terminated within the preceding three years for cause or default.

Where the applicant is unable to certify to any of the statements in this certification, he or she shall attach an explanation to this application.

The applicant, as a primary tier participant, is required to comply with 2 CFR Part 180 Subpart C (Responsibilities of Participants Regarding Transactions Doing Business With Other Persons) as a condition of participation in the award. The applicant is also required to communicate the requirement to comply with 2 CFR Part 180 Subpart C (Responsibilities of Participants Regarding Transactions Doing Business With Other Persons) to persons at the next lower tier with whom the applicant enters into covered transactions.

## **Nondiscrimination**

The authorized representative, on behalf of the applicant, certifies that the applicant will comply with the following nondiscrimination statutes and their implementing regulations:

- (a) Title VI of the Civil Rights Act of 1964, as amended (42 U.S.C. § 2000 et seq.), which prohibits discrimination on the basis of race, color, or national origin;
- (b) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. § 701 et seq.), which prohibits discrimination on the basis of disability;
- (c) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§ 1681–83, 1685–86), which prohibits discrimination on the basis of sex in education programs; and
- (d) Age Discrimination in Employment Act of 1975, as amended (42 U.S.C. § 6101 et seq.), which prohibits discrimination on the basis of age.

## **Drug-Free Workplace**

The authorized representative, on behalf of the applicant, certifies, as a condition of the award, that the applicant will or will continue to provide a drug-free workplace by complying with the requirements in Subpart B of 45 CFR. Part 1186.

This includes: making a good faith effort, on a continuing basis, to maintain a drug-free workplace; publishing a drug-free workplace statement; establishing a drug-free awareness program for its employees; taking actions concerning employees who are convicted of violating drug statutes in the workplace; and identifying (either with this application or upon award, or in documents kept on file in the applicant's office) all known workplaces under the award.

### **General Certification**

The authorized representative, on behalf of the applicant, certifies that the applicant will comply with all applicable requirements of all other federal laws, executive orders, regulations, and policies governing the program. IMLS grant regulations may be found at 45 CFR. Chapter XI.

### **Certifications Required of Some Applicants**

The following certifications are required if applicable to the project for which an application is being submitted. Applicants should be aware that additional federal certifications, not listed below, might apply to a particular project.

#### **Subcontracts**

A grantee may not make a subgrant (for more details, see 45 CFR. Chapter XI, Subchapter E [Institute of Museum and Library Services]). Applicants who plan to use awards to fund contracts and subcontracts should be aware that they must comply with the communication and verification requirements set forth in the above Debarment and Suspension provisions.

#### **Native American Human Remains and Associated Funerary Objects**

The authorized representative, on behalf of the applicant, certifies that the applicant will comply with the provisions of the Native American Graves Protection and Repatriation Act of 1990 (25 U.S.C. § 3001 et seq.), which applies to any organization that controls or possesses Native American human remains and associated funerary objects, and which receives federal funding, even for a purpose unrelated to the Act.

#### **Historic Properties**

The authorized representative, on behalf of the applicant, certifies that the applicant will assist the awarding agency in ensuring compliance with Section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. § 470f), Executive Order (E.O.) 11593, and the Archaeological and Historic Preservation Act of 1974 (16 U.S.C. § 469 et seq.).

#### **Environmental Protections**

The authorized representative, on behalf of the applicant, certifies that the project will comply with environmental standards, including the following:

- (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969, as amended (42 U.S.C. § 4321 et seq.) and E.O. 11514;
- (b) notification of violating facilities pursuant to E.O. 11738;
- (c) protection of wetlands pursuant to E.O. 11990, as amended by E.O. 12608;
- (d) evaluation of flood hazards in floodplains in accordance with E.O. 11988, as amended;
- (e) assurance of project consistency with the approved state management program developed under the Coastal Zone Management Act of 1972, as amended (16 U.S.C. § 1451 et seq.);
- (f) conformity of federal actions to State (Clean Air) Implementation Plans under section 176(c) of the Clean Air Act of 1955, as amended (42 U.S.C. § 7401 et seq.);
- (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (42 U.S.C. § 300f et seq.); and

- (h) protection of endangered species under the Endangered Species Act of 1973, as amended (16 U.S.C. §§ 1531-1543).

The authorized representative, on behalf of the applicant, certifies that the project will comply with the Wild and Scenic Rivers Act of 1968, as amended (16 U.S.C. § 1271 et seq.), related to protecting components or potential components of the national wild and scenic rivers system.

The authorized representative, on behalf of the applicant, certifies that the applicant will comply with the flood insurance requirements of the Flood Disaster Protection Act of 1973, as amended (42 U.S.C. § 4001 et seq.), which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is \$10,000 or more.

**Research on Human and Animal Subjects**

The authorized representative, on behalf of the applicant, certifies that the project will comply with 45 CFR. Part 46 regarding the protection of human subjects involved in research, development, and related activities supported by this award of assistance.

The authorized representative, on behalf of the applicant, certifies that the project will comply with the Laboratory Animal Welfare Act of 1966, as amended (7 U.S.C. § 2131 et seq.) pertaining to the care, handling, and treatment of warm-blooded animals held for research, teaching, or other activities supported by this award of assistance.

For further information on these certifications, contact IMLS, 1800 M Street, NW, 9th Floor, Washington, DC 20036. Or call 202/653-IMLS (4657).

## TEN TIPS TO WORK SUCCESSFULLY WITH GRANTS.GOV

1. **Register early!** Go to [www.grants.gov/applicants/get\\_registered.jsp](http://www.grants.gov/applicants/get_registered.jsp). This process may take up to two weeks to complete, and may take longer if your organization does not have a DUNS number. You must have a DUNS number to register with Grants.gov. If you registered last year, please note that you must renew each year. Go to [www.ccr.gov/Renew.aspx](http://www.ccr.gov/Renew.aspx).
2. You may wish to designate more than one **Authorized Organization Representative (AOR)** for your organization when you register. This will help to avoid last minute crises in the event that a single AOR is unavailable when you are ready to submit your application. This person might not be the same person that you list as the Authorized Representative for IMLS.
3. **Log onto Grants.gov and start working on your grant application NOW.** Do not wait until the last week before the application deadline to begin the submission process, particularly if you are not familiar with Grants.gov. It may take up to 48 hours to receive notification that your application has been both received **and** validated after submission. Give yourself enough time to make corrections, if necessary, and resubmit before the grant deadline.
4. Download the most recent version of Adobe Acrobat Reader onto your computer for best results. Currently, Grants.gov only supports versions 8.1.1 and later. For optimal performance, Grants.gov recommends using version 8.1.3. If you are working with a “track changes” tool while writing your application, be sure to **accept** all changes and save the document before submission to Grants.gov.
5. All documents must be submitted in **PDF format**. Follow the instructions in the IMLS Grant Guidelines to convert your MS Office documents like Word and Excel to PDF: [www.imls.gov/pdf/PDFConversion.pdf](http://www.imls.gov/pdf/PDFConversion.pdf). Start practicing the conversion of Word, Excel and other types of documents into the PDF format. If you are new to this process, you may need time to learn how to do this smoothly and avoid frustration as the deadline nears.
6. Avoid scanning your documents when possible—this creates a very large file that makes your application more cumbersome to manage, and the large files may not be processed properly. Whenever possible, use the “conversion to PDF” instructions noted above.
7. Use Internet Explorer for your browser when submitting the application to Grants.gov. Mozilla Firefox is not currently compatible with this process.
8. Do not email, fax, or mail applications or any part of an application to IMLS. We can only accept application documents that are submitted and successfully validated by Grants.gov.

9. The IMLS Grant Program Guidelines contain extensive instructions and hints to help you with this entire process. Please make time to read through these materials as well as the information provided at [www.grants.gov](http://www.grants.gov). You will be more likely to receive the assistance you need, if you begin by taking the time to familiarize yourself with the basic instructions and guidance provided through these sources.
10. Contact Grants.gov help ([www.grants.gov/help/help.jsp](http://www.grants.gov/help/help.jsp) or 1-800-518-4726) for assistance with the following:
  - Hardware and software issues
  - Registration issues
  - Technical problems with attachments

Contact your IMLS Senior Program Officer (Sandra Narva: [snarva@imls.gov](mailto:snarva@imls.gov) or (202) 653-4634) or Program Specialists (Reagan Moore: [rmoore@imls.gov](mailto:rmoore@imls.gov) or (202) 653-4637 and Robert Trio: [rtrio@imls.gov](mailto:rtrio@imls.gov) or (202) 653-4689) for assistance with the following:

- Guidelines
- Eligibility questions
- Content, budget, timeline (schedule of completion) questions

NOTE: Grants.gov help and IMLS Program staff assistance is not available on weekends.
