Grants.gov is your source to **FIND** and **APPLY** for Federal government grants. There are over 1,000 grant programs offered by all Federal grant making agencies. The U.S. Department of Health and Human Services is proud to be the managing partner for Grants.gov, an initiative that is having an unparalleled impact on the grant community. Grants.gov allows organizations to electronically find and apply for more than \$400 billion in Federal grants.

GET REGISTERED

In order to apply for a grant, you and/or your organization must complete the Grants.gov registration process.

The registration process for an Organization and an Individual can take between three-five business days or as long as two weeks if all steps are not completed on a timely basis. So please register early!

Please choose one of the options below:

Organization Registration

[I want to Register on behalf of an Organization.](#)

An individual who is responsible for submitting a grant on behalf a company, state, local, or tribal government, academia or research institution, not-for-profit or any other institution.

[Organization Registration User Guide](#)

Individual Registration

[I want to Register as an Individual on my own behalf.](#)

Submitting a grant on your own behalf. If you register as an Individual, you will only be able to apply to grant opportunities that are open to individuals. An individual cannot submit a grant application to a grant opportunity that is open to organizations.

ORGANIZATION REGISTRATION

This is where the process of registering your organization for access to Grants.gov begins. Review this overview if you are submitting a grant on behalf of a company, state, local, or tribal government, academic or research institution, not-for-profit or any other institution. See below for the Registration overview.

[Organization Registration Checklist](#) [Organization Registration User Guide](#)

Registration in Brief:

STEP 1: Obtain DUNS Number

Same day. Your organization will need to obtain a DUNS Number. If your organization doesn't have one, you will need to go to the Dun & Bradstreet website at <http://fedgov.dnb.com/webform> [EXIT Disclaimer] to obtain the number.

STEP 2: Register with CCR

Two days or up to one to two weeks. Ensure that your organization is registered with the Central Contractor Registry (CCR) at <http://www.ccr.gov> [EXIT Disclaimer]. If your organization is not, an authorizing official of your organization must register. You will not be able to move on to Step 3 until this step is completed.

STEP 3: Obtain Username & Password

STEP 3: OBTAIN USERNAME & PASSWORD

STEP 1 • STEP 2 • STEP 3 • STEP 4 • STEP 5 • STEP 6

HAVE YOU OBTAINED YOUR USERNAME AND PASSWORD?

An Authorized Organization Representative (AOR) must register with the Credential Provider (Operational Research Consultants, ORC) to obtain your username and password. You will need to know your organization's DUNS number to complete the process.

Create a Username and Password with ORC: <https://apply07.grants.gov/apply/OrcRegister>

PURPOSE OF THIS STEP:

AOR usernames and passwords serve as "electronic signatures" when your organization submits applications on Grants.gov.

HOW LONG SHOULD IT TAKE?

Same Day. AORs will receive a username and password when they submit the information.

WHY DO I NEED TO OBTAIN A USERNAME & PASSWORD?

To safeguard the security of electronic information, Grants.gov uses a credential provider to allow applicants to create a secured username and password. The credential provider for Grants.gov is Operational Research Consultants (ORC).

When you register with ORC, you will create a username and a password which allows

INDIVIDUAL REGISTRATION

An individual is an applicant who submits grant applications on their own behalf, not representing an organization, institution or government. **Individual applicants are only eligible for grants that are open to individuals and published on the Grants.gov website.**

Search for Individual Grant Opportunities:
http://www.grants.gov/applicants/find_grant_opportunities.jsp

Individual registration is a one-time process and can take up to one business day to complete. Individuals wishing to submit a grant application using Grants.gov are required to complete two steps:

STEP 1: [Username & Password](#)
STEP 2: [Register with Grants.gov](#)

[Individual Registration User Guide](#) 

[Individual Registration Checklist](#) 

Take note, if you register as an Individual, you will only be able to apply to grant opportunities that are open to individuals. An individual cannot submit a grant application to a grant opportunity that is open only to organizations.

Also, neither a Data Universal Number System (DUNS) number nor the Central Contractor Registry (CCR) registration is necessary for Individual Registration.

GRANTS.GOV Contact Us Site Map Help Home

Home » For Applicants » Get Registered » Individual Registration »

STEP 1: USERNAME & PASSWORD

[STEP 1](#) • [STEP 2](#)

You will need to know the Funding Opportunity Number (FON) for the grant application package that you intend to apply for on Grants.gov. Search for a FON: http://www.grants.gov/applicants/find_grant_opportunities.jsp.

Register with Grants.gov:
<https://apply07.grants.gov/apply/IndCPRregister>

PURPOSE OF THIS STEP:
 Your username and password serves as an "electronic signature" and allows you to submit applications through Grants.gov. Grants.gov uses the Credential Provider to verify that an individual is who she/he claims to be.

HOW LONG SHOULD IT TAKE?
 Same Day. You will receive a username and password when you submit your information.

WHY DO I NEED A USERNAME AND PASSWORD?
 To safeguard the security of electronic information, Grants.gov uses a credential provider to allow applicants to create a secured username and password. The credential provider for Grants.gov is Operational Research Consultants (ORC).

When you register with ORC, you will create a username and a password which allow you to register with Grants.gov as an Authorized Organization Representative (AOR).
