Re: Federal Register: Jan 21, 2004 (Vol. 69, Number 13), Federal Acquisition Regulation; Definitions Clause, Proposed Rule

The following are review comments submitted in regards to FAR Case 2002-013:

1. Please clarify if the second and third sentences of FAR 2.201 "Contract Clause" ("If the contract is for personal services, construction, architect-engineer services, or dismantling, demolition, or removal of improvements, use the clause with its Alternate I. The contracting officer may include additional definitions, provided they are consistent with the clause and the FAR.") are being deleted.
2. Please clarify if the Alternate 1 language has been deleted from FAR 52.201-1.
3. Suggest listing www.acqnet.gov as the updated web address in FAR 52.201-1.

Thanks.
