I have submitted to the Commission Secretary an alternative proposal for the WRTL rulemaking. I'm not sure this is an improvement over what we put on the public record Friday, but it's an attempt. It should be up on our website shortly, but since this is the 11th hour, I thought I'd pass it along to those who had been interested enough to comment on Friday's proposal.

Thanks!

Thank you. It is an improvement. Good luck tomorrow. Jim
