Empowering People with Disabilities

(Begin transcript)

Elena: I'm from Russia. My name is Elena and I'm seventeen years old.

Ahmad Ahmad: My name is Ahmad Ahmad, I am from Egypt.

Iffa: My name is Iffa and I'm from Malaysia.

Nadia: My name is Nadia, I'm from Ukraine.

Omar: My name is Omar and I'm from Ghana.

David: I'm David from Georgia.

Hamelin: My name is Hamelin and I am from the Philippines.

Ibrahim Kalib: My name is Ibrahim Kalib I'm Arab Palestinian.

Elena: I really like to try something new, something unusual for me, that is why this program was really exciting for me to take part in.

Elena: Can learn different cultures, new traditions and of course I should improve my language and in my future it will help me to get a job, or just to be a very interesting person to communicate with.

Ahmad: Chance to know more about people, the culture and try to do your best to change and bring something from their and show it to other people of Egypt.

Nadia: I'm strong girl and I can survive in this world. This is very comfortable place to meet and communicating is very friendly and it often helps us people with disability, so it's very cool.

Elena: Mothers are always afraid to left their children alone, not because of disability or no disability, it's just difficult for them, a of course she thought how it would be for me to make different things which I done my self and will be there somebody who can help me or if I have to chance to ask somebody to help me. Of course she was scared little bit.

Interviewer: Where you scare a little bit?

Elena: No, I was very excited, I didn't think about some bad things or... I was really excited and I thought only about positive.

Omar: I was family, I loved them so much and they loved me and we have lots of respect for each other.
