

Additional Comments:

1. We need more guest rooms
2. Auto hobby shop needs lots of improvement
3. Should revamp all conditions of auto hobby shop; bay fees should be considered; 1 vehicle has been inside for years
4. Interested in any book or help in writing a book about life in general and my 27 years in the Army
5. Why not cater a quality event (employee picnic, July 4th, Labor Day)
6. I love it here!
7. Recommend that we have a MASH party or dance
8. Update DVD's more
9. New resident (11 days only), no comments at this time
10. The buses are leaving people behind who signed and showed up for a trip
11. I use the thrift shop. I especially enjoy the ceramic shop. Need trips to the Smithsonian (Art) Museum
12. No complaints, life is good
13. The movies are loud in the theatre
14. More about history of AFRH, buildings, etc. (especially General Scott)
15. We need more trips that are shorter to malls/shopping centers close by rather than 1 ½ - 2 hours away
16. More trips to historical places in DC area
17. Need a mini golf course
18. Chronic lack of funds. Not enough money; this prevents this division from scheduling more trips especially for BPV's.
19. My only concern is the bowling alley. They constantly break down. 2 people have fallen in 1 week because alleys aren't maintained properly
20. I would like less "R" rated movies
21. I'm a Naval Home Evacuee (Hurricane Katrina) and will be going back—that's home. However, the DC home is very good in food, funs and religious services; a good place to be until I return to Gulfport
22. Miss Tracey is one of the most dedicated and friendliest people on site. Promotion and pay raise should be considered immediately
23. I want to thank all of you for the many things you do for all of us. I am very happy that I have a wonderful place to live and that all of you are my family
24. Please have some travel agencies to visit AFRH and give presentations or guided tours to major cities/sites
25. Movie schedules not followed (no notice), rear row of auditorium seats could be removed thus providing travel space, and area for BPV's and walkers. Seats removed could be reconditioned for spares
26. The transportation on the VGA Buses is a problem when more people show up and a small bus is used
27. More ice cream socials
28. Recreation Services does so very much and tries to get people moving. I appreciate every one of the employees and wish many more residents would take advantage of all the many opportunities offered.

29. Would be happy to help with whatever I am capable of
30. Outstanding
31. Present medical conditions prevent my current participation, but I would gladly volunteer to do anything possible to enhance life here at the Home. Words can't express the appreciation I feel for the good work performed by the staff of Recreation Services Division
32. Make magnifying machine accessible 24 hours. Move it to the computer 24 hour room or fish room
33. I am concerned with the stigma that anyone can use the machines in the woodshop. Many people have asked me to certify them but I don't feel qualified and would feel bad if any of those people I certified were hurt
34. Trips are good, but I have one huge complaint. Most trip duration is way too long. Most passengers to the malls are sitting at the door ready to return an hour before scheduled return. And the Quantico trips, what can you do at a PX and commissary for 5 hours. 3 meals are served daily so we don't have to spend a lot of time in a commissary to buy a lot of groceries
35. Great job done by the Recreation Department (2 people stated this)
36. There are so many programs and activities. There is something for everyone
37. Manage by contractor
38. Why did you move the sign up sheet for trips from the dining hall? Everyone has to go to the dining hall but not everyone goes to the building where the sign up was moved to
39. I especially enjoy the trips to malls and PX's, live performances in our theatre, and the library
40. I would love to volunteer but I can't stand very long and I can't walk very far
41. Great—keep up the good work (2 people stated this)
42. Race track trips at least 2 times a month (2 people stated this)
43. Auto shop not open evenings (when it is cool) and weekends. Also, why can the bike shop manager open any time he wants including evenings and weekends
44. All in all, recreation folks do a great job. I'm glad to be here
