This whole system needs to be revised, the rules are mountainous.... As a local grassroots Democratic club, for us, the rules, regulations, paperwork, filings are so complex,

and if something is missed, fines are issued...this makes it impossible for a group of volunteers

to operate in a relatively small way in the process, without expensive, professional assistance  $% \left( 1\right) =\left( 1\right) +\left( 1\right) +\left($ 

from one of few professionals who understand it....

please consider this as you meet, and help make this a democracy that works for the average

person , organization...and focus the controls on those with millions, with which they abuse power  $\,$ 

thank you, Diane Valentino
