Dear Senator Lugar,

Greetings from the City of Portland and on behalf of our community, our wishes are this letter finds you and your staff doing well. This letter is being submitted to ask for your support and leadership in obtaining federal earmarked funding for the two critical projects named the Hudson Family Park and the Lafayette Street Expansion Project. We have submitted updated information packets and plans regarding these requests.

These projects are essential for the long-term growth and success these projects will create in terms of economic development, job growth and retention, recreational, social, and cultural, and the educational impact it will have in serving the needs of citizens of all ages.

We believe working together will help ensure a wonderful partnership that greatly enhance our chances for success regarding these projects and help secure a better future for our city, county and state in serving the needs of the citizens we both have the privilege of serving.

Sincerely,

Bruce W. Hosier
Mayor City of Portland
