Partner Profiles: Description of Categories

Following is a description of a category profiled in the Partner Profiles section of this website. Each description includes a list of the organizations contained in the category and an overview of the organization's profile. To view a profile, return to the "Partner Profiles" section of the website and click on the link to the organization. The profile will contain program details such as the program objectives, target participants, eligibility requirements, features, costs, and contact information.

**Miscellaneous**

This category contains profiles of programs offered by government agencies and foundations that provide resources to credit unions and/or consumers in various areas.

<b>Organization Name <i>Program Name</i></b>	<b>Overview</b>
U.S. Department of the Treasury <i>Savings Bonds</i>	Savings bonds as a service to credit union members and an income source for credit unions.
U.S. Internal Revenue Service <i>Small Business/Self Employed Tax Services</i>	Resources for business-owners and the self-employed.
