MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Sustainable Range Program Environmental Activity Responsibilities Matrix

1. Reference memorandum, DAIM-ZA, 30 Jun 2005, SAB (encl 1).
2. To ensure the continued use of training ranges and land assets, the OACSIM staff worked with the ARSTAF from G-3 and G-4 to address funding gaps and overlap redundancies among all the programs. The outcome of these efforts for the Installations Program Element Group (II PEG) is the enclosed Sustainable Range Program (SRP) Matrix, Phase 1. The matrix clarifies responsibilities for funding environmentally-related sustainable range requirements within the II PEG, and identifies which proponent will program these requirements beginning in Budget Estimate Submission Program Objective Memorandum (BESPOM) FY 08-13 and champion any UFR in the year of execution and for BESPOM. The OACSIM staff proponents are in the process of revising their respective funding guidance documents.
3. Point of Contact for the environment program responsibilities is Dr. Sharon Bucci, 703-601-1520, DSN 329-1520, Sharon.Bucci@hqda.army.mil.
