**Source:** Table prepared by CRS, May 13, 2009, based on unpublished data provided by the U.S. Department of Education, Budget Service.

**Note:** From the total appropriation of \$6.4 billion, a 5% set-aside was provided for schools in areas that are in economic distress or recovering from a natural disaster and a 2% set-aside was provided for outlying areas and Bureau-funded schools. Details may not add to totals due to rounding.

**Notice:** These are estimated grants only. These estimates are provided solely to assist in comparisons of the relative impact of alternative formulas and funding levels in the legislative process. They are not intended to predict specific amounts states will receive. In addition to other limitations, data need to calculate final grants may not be available yet.
