PubMed (My NCBI), Scopus, and Web Of Science can be found at <http://nihlibrary.nih.gov>

Research Updates	PubMed (My NCBI)	Scopus	Web of Science
Journal Coverage	Over 5,000 journals in the areas of medicine, nursing, dentistry, veterinary medicine, the health care system and preclinical sciences.	Over 15,000 journals in the areas of science, technology, medicine, psychology, sociology, and economics.	Over 8,000 journals in the areas of science, technology, medicine, psychology, sociology, and economics.
Years of coverage	15 million records from the mid 1950's	28 million records from 1966 (cited references from 1996 only)	37 million records from 1945 (note: NIH access begins in 1955)
Type of Updates	Subject, author, or journal Table of Contents (TOC)	Subject, author, cited reference or Journal TOC	Subject, author, cited reference or Journal TOC
Update Frequency	Daily, Weekly, or Monthly	Daily, Weekly, or Monthly	Weekly or Monthly
Updates per Account	Unlimited	Unlimited	Unlimited
Update Email formats	HTML or text	HTML or text	HTML or text
Update RSS Feed Availability	Yes	Yes	Yes
Response to zero results	User choice	Notified	Notified
Save Format for Exporting to Citation Software	MEDLINE	Automatic	ISI Research Soft, Full Record Field Tagged
Databases Searched	PubMed, Nucleotide, Genome, Protein, and other NCBI databases	Scopus includes records from MEDLINE, Embase, Compendex, and Geobase	Web of Science includes records from Science Citation Index and Social Science Citation Index

Results show that no one research update product will discover all the relevant information on a topic. To find the most comprehensive search, NIH Library staff recommends utilizing a combination of research update products.
