OFFICE OF PERSONNEL MANAGEMENT

5 CFR Part 950

[3206-AL47]

Solicitation of Federal Civilian and Uniformed Service Personnel for Contributions to Private Voluntary Organizations—Eligibility and Public Accountability Standards

ACTION: Final rule, technical amendments.

SUMMARY: The U.S. Office of Personnel Management (OPM) is making technical amendments to the final regulations concerning the Combined Federal Campaign (CFC). These technical amendments correct the final rule issued on November 20, 2006, as revised on February 9, 2007, by making a change to the eligibility criteria and making several administrative changes brought to OPM's attention to other sections.

DATES: This technical amendment is effective on February 14, 2008.

FOR FURTHER INFORMATION CONTACT: Mark W. Lambert by telephone at (202) 606-2564; by Fax at (202) 606-5056; or by e-mail at *cfc@opm.gov*.

SUPPLEMENTARY INFORMATION: In the final regulations issued on November 20, 2006, as revised on February 9, 2007, OPM included what it deemed was a clarification to the 1995 regulatory eligibility requirement contained in 5 CFR 950.202(b). OPM clarified the regulation by stating specifically that only public charities, as defined by the Internal Revenue Service, were allowed to participate in the CFC. The clarification meant that private foundations were not eligible to participate in the CFC even though some had participated for years. In a recent court decision, the United States District Court for the District of Columbia invalidated OPM's clarification pertaining to private foundations. As a result, OPM is amending 5 CFR 950.202(b) to remove the reference to public charities from the requirement. OPM is also taking this opportunity to make three other administrative technical amendments to 5 CFR 950.101, 950.105(c)(3), and 950.105(d)(9). In 5 CFR 950.101, OPM is amending the definition of *Domestic Area* to include the Commonwealth of Northern Mariana Islands, American Samoa, and Guam to be consistent with the addition of these U.S. territories to 5 CFR 950.204(b)(2)(iii) in the November 20, 2006, changes to the CFC regulations. In 5 CFR 950.105(c)(3), OPM is removing a reference to provision 950.403 since it no longer exists after the changes made on November 20, 2006. In 5 CFR 950.105(d)(9), OPM is removing the date for the submission of a campaign audit and adding a reference to OPM's calendar, which will include the date. This change is consistent with other changes made in the November 20, 2006, CFC regulations.

Regulatory Flexibility Act

I certify that this regulation will not have a significant economic impact on a substantial number of small entities. Charitable organizations applying to the CFC have an existing, independent obligation to comply with the eligibility and public accountability standards contained in current CFC regulations. These technical amendments will not cause any significant additional burden.
