

The Catalog of Federal Domestic Assistance

Offered by: U.S. General Services Administration (GSA)
Office of Government Wide Policy

Target Credit

Union Participants: Credit unions wishing to obtain financial and technical assistance.

Program

Objective:

The website features a guide to writing proposals, a list of Federal agencies providing assistance programs with links to agency web sites, and an introduction to the Catalog and types of assistance available from the Federal Government.

Credit Union

Eligibility:

All credit unions are permitted to access this website

**Program Features
and Requirements:**

The Catalog's database contains information submitted by 57 Federal departments and agencies on over 1,400 Federal programs. The website is updated bi-weekly with information received from Federal agencies. Currently, programs in the Catalog include grants, direct payments for use of beneficiary, loans, insurance, property donation/sale/exchange, Federal counseling, training programs, and use of Federal property, facilities and equipment. There is a search tool on the website. There are some helpful tips on writing grant proposals featured in the catalog.

Program Cost: Free
