Re: Application Description, CAIS Control Number

Dear Mr./Ms.(*Name*):

The OCC has conducted a background investigation and examined the biographical and financial information you submitted for (*name*), whom you propose to be (*title*) and found no objection to your proposal.

This no objection and the activities and communications by OCC employees in connection with the filing do not constitute a contract, express or implied, or any other obligation binding upon the OCC, the United States, any agency or entity of the United States, or any officer or employee of the United States, and do not affect the ability of the OCC to exercise its supervisory, regulatory and examination authorities under applicable law and regulations. Our no objection is based on the bank's representations, submissions, and information available to the OCC as of this date. The OCC may modify, suspend or rescind this decision if a material change in the information on which the OCC relied occurs prior to the date of the transaction to which this decision pertains. The foregoing may not be waived or modified by any employee or agent of the OCC or the United States.

Sincerely,
