- ***Conference Reports may be brought up at any time.**
- ***Motions to go to Conference should they become available.**
- ***Possible Motions to Instruct Conferees.**

Daily Quote...

"[President Bush's] candor about the commitment required to defeat terrorists was not matched with equal forthrightness about the contributions the public would have to make to provide the economic security it also values. . . . Without a realistic spending plan to back up such grand promises, Bush sounded more like a candidate eager to win the public's support than a seasoned president prepared to make tough choices."
