**I.**  
**FACTS**

1. In March and July 2004, the Commission entered into settlements with the seven specialist firms operating on the New York Stock Exchange. The Commission’s orders (Securities Exchange Act Release Nos. 49498 – 49502 and Nos. 50075 – 50076) (the “Settlement Orders”) provided, among other things, for payment of disgorgement and civil penalties totaling, in the aggregate, over \$247 million. The Settlement Orders further provided that the disgorgement and civil penalties were to be placed in Fair Funds to be distributed pursuant to a distribution plan (the “Plan”) drawn up by a fund administrator. Heffler, Radetich & Saitta L.L.P. (“Heffler”) was appointed the fund administrator in October 2004.

2. On May 17, 2006, the Commission issued an order approving Heffler’s Plan. Pursuant to the Plan, Heffler must identify the customers who were injured as a result of the previously identified violative trades, calculate each injured customer’s distribution amount – which is the sum of the disgorgement amount, and the prejudgment and post-judgment interest

thereon – and make distributions to the injured customers. The distributions are to be made on a rolling basis.

3. On July 5, 2006, the Commission issued an order (“July 2006 Order”) that, among other things, approved the initial distribution of \$52,732,921.43, in accordance with the Distribution Report submitted by Heffler, and authorized a member of the Enforcement staff at or above the level of Associate Regional Director at the Commission’s Northeast Regional Office in New York (the “SEC Representative”) to approve the advance payment of estimated printing and mailing costs (the “Distribution Costs”), and the payment of estimated banking fees (“Bank Fees”) incurred in connection with the initial distribution.

4. On July 19, 2006, Heffler made the initial distribution pursuant to the July 2006 Order. This initial distribution involved a total disbursement of \$52,732,921.43, which was comprised of \$42,082,144.95 in disgorgement, \$6,101,253.76 in prejudgment interest, and \$4,549,522.72 in post-judgment interest.

5. Heffler has notified the staff that it is now prepared to make the second rolling distribution in this matter. Section III of the Plan provides that the Commission must approve all distributions to injured customers.

6. In accordance with the Plan, Heffler has submitted, for Commission approval, a report dated October 24, 2006 (the “Distribution Report”), identifying the injured customers who will receive a distribution check, and their distribution amount, with respect to the second rolling distribution in this matter. This second distribution involves a total disbursement of \$42,765,263.59, comprised of \$33,548,991.43 in disgorgement, \$4,942,721.04 in prejudgment interest, and \$4,273,551.12 in post-judgment interest. The Plan calls for post-judgment interest on each transaction to be calculated starting from the day following the entry of the Settlement Orders and ending on the date of distribution. For purposes of calculating the post-judgment interest in this distribution, Heffler has selected November 30, 2006, as the date of distribution.

7. Heffler has also submitted a schedule of the Distribution Costs that will be incurred in connection with this second distribution, and has requested that the Commission authorize the SEC Representative to approve the advance payment of such costs. The Distribution Costs are estimated at \$164,000. Citizens Bank of Pennsylvania (“Citizens Bank”), the escrow agent and disbursing agent in this matter, has also requested that the Commission authorize the SEC Representative to approve the payment of Bank Fees as they relate to the second distribution when they are incurred. Citizens Bank had previously provided the staff with an estimate of Bank Fees amounting to \$38,220 for services in connection with processing the first 500,000 checks issued in the distributions.

## II.

In view of the foregoing, it is ORDERED that:

1. The second rolling distribution of \$42,765,263.59, in accordance with the Distribution Report submitted by Heffler, is hereby approved.
2. The SEC Representative is hereby authorized to approve the advance payment of the Distribution Costs, and authorized to approve the payment of the Bank Fees as they are incurred in connection with this second distribution. Heffler and Citizens Bank shall provide adequate supporting documentation for the Distribution Costs and the Bank Fees, respectively, to the SEC Representative. Any disbursements from the Fair Funds with respect to Distribution Costs and Bank Fees shall be made only upon the written authorization of the SEC Representative to Citizens Bank followed by a verbal confirmation from the SEC Representative of such written authorization.

By the Commission.
