Notes: Beginning with fiscal year 2000, a footnote will be added when the "% change from Prior Fiscal Year" changes by 20% or more.

(1) During fiscal year 2004, some government agencies moved a portion of their longer term investments into GAS Overnight Securities. or One Day Securities, are issued one day and redeemed the next. This change in investing practice explains the 54.97% increase in Total Activity for 2004.

* The "Other" column includes Savings Bonds, Domestic Series Securities, Foreign Series Securities, Matured Unredeemed Debt and Hope Bonds. Totals may not agree due to rounding.
