AFROAMERICANOS

The jazz trope : a theory of African American literary and vernacular culture

Alfonso W. Hawkins
Lanham, MD : Scarecrow Press, 2008.

810.9 HAW

Looks at the African American lifestyle through the lens of jazz, blues, and spirituals and pays homage to the pioneering efforts of several notable scholars who have related music to African American life and culture.

AGRICULTURA

Crisis & opportunity: sustainability in American agriculture

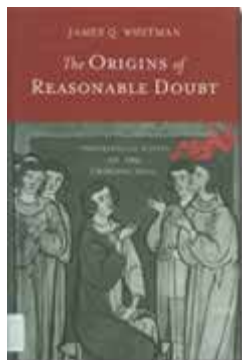

John E. Ikerd
Lincoln, NE : University of Nebraska Press, 2008.

630.973 IKE

Outlines the consequences of agricultural industrialization, then details the methods that can restore economic viability, ecological soundness, and social responsibility to our agricultural system and thus ensure sustainable agriculture as the foundation of a sustainable food system and a sustainable society.

APLICACION DE LA LEY

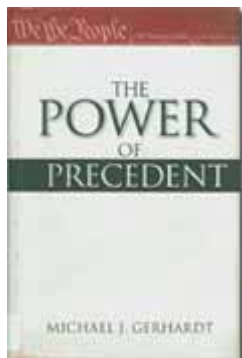

The origins of reasonable doubt : theological roots of the criminal trial

James Q. Whitman
New Haven, CT : Yale University Press, 2007.

345.406 WHI

In this accessible book, author digs deep into the history of the law and discovers that we have lost sight of the original purpose of "reasonable doubt." It was not originally a legal rule at all, he shows, but a theological one. Whitman traces its history back through centuries of Christian theology and common-law history to reveal that the original concern was to protect the souls of jurors.

The power of precedent

Michael J. Gerhardt
Oxford ; New York, NY : Oxford University Press, 2008.

347.73 GER

The role that precedent plays in constitutional decision making is a perennially divisive subject among scholars of law and American politics. This book clearly outlines the major issues in the continuing debates on the significance of precedent and evenly considers all sides. This force is encapsulated in the implementation and recognition of what Gerhardt calls the "golden rule of precedent," a major dynamic in constitutional law.

Statutory default rules : how to interpret unclear legislation

Einer Elhauge
Cambridge, MA : Harvard University Press, 2008.

348.732 ELH

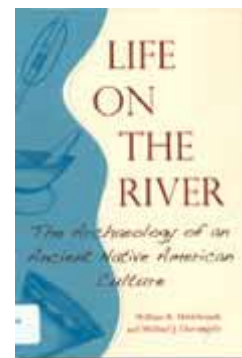

This book takes a fresh approach by focusing on what judges should do once the legal materials fail to resolve the interpretive questions. It challenges the common assumption that in such cases judges should exercise interstitial lawmaking power.

ARQUEOLOGIA

Life on the river : the archaeology of an ancient Native American culture

William R. Hildebrandt and Michael J. Darcangelo
Berkeley, CA : Heyday Books, 2008.

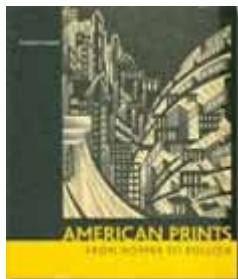

979.424 HIL

With the assistance of several Wintu tribal members and volunteers from throughout the area, archaeologists conducted careful excavations on Upper Sacramento River in Northern California, preserving portions of it from the threat of land development. The investigations of this team yielded a first-hand look at how the Wintu lived prior to the arrival of Europeans in the region, as well as their experiences during and following contact.

ARTE

American prints from Hopper to Pollock

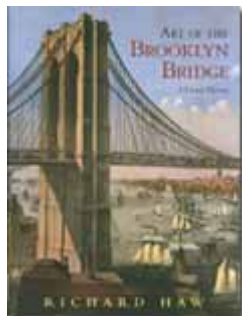

Stephen Coppel
Burlington, VT : Lund
Humphries, 2008.

REF 769.973 COP

Reproduces 147
outstanding prints by 74
leading American artists,
providing an overview of

American printmaking before the rise of the big
print workshops of the 1960s and 1970s. A
substantial introductory essay presents a
historical overview of American printmaking
during this period, and looks at the artistic and
institutional framework within which printmakers
operated.

Art of the Brooklyn Bridge : a visual history

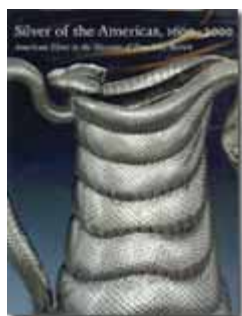

Richard Haw
New York, NY :
Routledge, 2008.

REF 624.2 HAW

The Brooklyn Bridge is a
global icon. It has
inspired artists of all
kinds, fueling a constant
stream of paintings,

photographs, lithographs, etchings,
advertisements, movies, books, magazines, and
record covers. This book provides a full visual
record of the bridge from the origins of its
conception to the present day.

American silver to enter the MFA's esteemed
collection after 1972, including a number of
previously unpublished works created after
1825. Presents a chronological sweep from the
seventeenth century to the present, and details
nearly seven hundred objects.

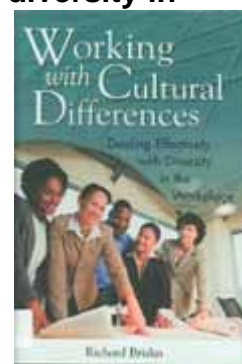

ASUNTOS LABORALES

Working with cultural differences: dealing effectively with diversity in the workplace

Richard Brislin
Westport, CT : Praeger,
2008.

658.3008 BRI

Shows us that helpful
guidelines for everyday
intercultural interactions are
clear in information that has
been gathered across the fields of cross-cultural
psychology, organizational behavior, and
intercultural communication. Insights explained
here allow readers to understand how they can
benefit from, rather than be frustrated by,
intercultural experiences, and how to better
develop such relationships.

the inherent powers of each medium and draw conclusions not just about how they differ, but how they ought to differ as well.

The Hollywood historical film

Robert Burgoyne
Malden, MA : Blackwell
Pub, 2008.

791.43 BUR

Entertaining and erudite cinematic journey through the controversial portrayal

of history on film, from the swashbuckling epics of the silent era to up-to-the-minute dramas like World Trade Center. With thought-provoking analysis, the author reveals the dual nature of historic films - how they deepen our understanding of historical events while shaping and often altering our views of the past.

CRIMEN

Pockets of crime : broken windows, collective efficacy, and the criminal point of view

Peter K.B. St. Jean
Chicago, IL : University of
Chicago Press, 2007.

city's highest-crime areas, author expands upon previous research to provide the most comprehensive explanation available of why crime occurs where it does.

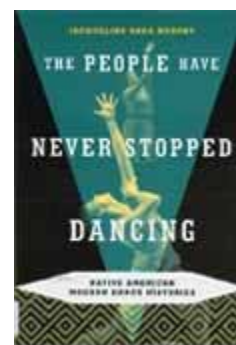

DANZA

The people have never stopped dancing : Native American modern dance histories

Jacqueline Shea Murphy
Minneapolis, MN :
University of Minnesota
Press, 2007.

792.8 SHE

Shows how Native American dance has emerged as a visible force on concert stages throughout North America, and how these performances are at once diverse and connected by common influences. Illustrating how Native dance enacts, rather than represents, cultural connections to land, ancestors, and animals, as well as spiritual and political concerns, the author challenges stereotypes about American Indian dance and offers new ways of recognizing the agency of bodies on stage.

DELINCUENCIA JUVENIL

The lost population: status offenders in America

*Robert Hartmann
McNamara*
Durham, NC : Carolina
Academic Press, 2008.

364.36 MCN

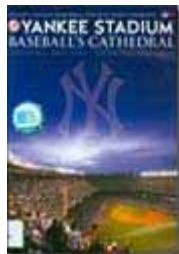

Explores the many faces of status offending and its impact on the treatment of juveniles.

Liverpool 31, Col. Juárez 06600. México, D.F.
www.usembassy-mexico.gov/biblioteca.htm

The study of status offenders was popular in the 1970s, but since then has been overlooked in the study of delinquency, 'cause the difference between a status offender and a true delinquent has been blurred. However, there remain a number of unresolved issues for many status offenders, such as whether or not they should be under the jurisdiction of the juvenile justice system.

Jeffrey R. Henig
New York, NY : Russell
Sage Foundation :

clín
s de 11:00 a 19:00 hrs.

Century Foundation, 2008.

371.01 HEN

One important aim of social science research is
to provide unbiased information that can help
guide public policies. However, social science is
often construed as politics by other means. The
author draws on extensive interviews with
researchers, journalists, and funding agencies
on both sides of the debate, as well as data on
federal and foundation grants and a close
analysis of media coverage, to explore how
social science research is "spun" in the public
sphere.

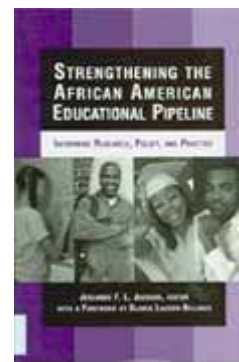

Strengthening the African American educational pipeline: informing research, policy, and practice

*Edited by Jerlando F. L.
Jackson*
Albany, NY : State
University of New York
Press, 2007.

378.1 STR

Explores the challenges
of recruiting more
African American
youths to

postsecondary education that results in the four
-year degree. These scholars examine the
multiple factors that thwart African American
youths from pursuing four-year college and
university education. They also look at
individual, institutional, and social forces that in
turn help us understand what the numbers really
mean.

FOLKLORE

The hamburger : a history

Josh Ozersky
New Haven, CT : Yale
University Press, 2008.

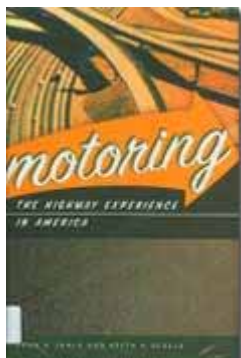

641.84 OZE

Unfolds the immense significance of the hamburger as an American icon. Shows how the history of the burger is entwined with American business and culture and how the burger's story is in many ways the story of the country that invented it. America has run on hamburgers for almost a century. This is the story of their sizzle and their symbolism, where they came from and how they conquered the world.

Motoring : the highway experience in America

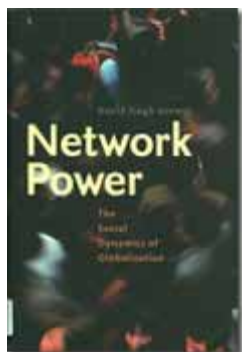

John A. Jakle and Keith A. Sculle
Athens, GA ; Chicago : University of Georgia Press : In association with the Center for American Places at Columbia College Chicago, 2008.

917.304 JAK

Unmasks the forces that shape the American driving experience-commercial, aesthetic, cultural, mechanical-as it takes a timely look back at our historically unconditional love of motor travel. Focusing on recreational travel between 1900 and 1960, the authors cover dozens of topics related to drivers, cars, and highways and explain how they all converge to uphold that illusory notion of release and rejuvenation we call the "open road."

GLOBALIZACION

Network power : the social dynamics of globalization

David Singh Grewal
New Haven, CT : Yale University Press, 2008.

303.482 GRE

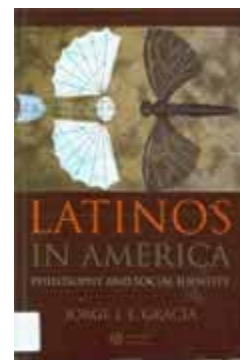

Draws on several centuries of political and social thought to show how globalization is best understood in terms of a power inherent in social relations, which he calls network power. Using this framework, he demonstrates how our standards of social coordination both gain in value the more they are used and undermine the viability of alternative forms of cooperation.

HISPANOAMERICANOS

Latinos in America : philosophy and social identity

Jorge J.E. Gracia
Malden, MA : Blackwell Pub, 2008.

305.89 GRA

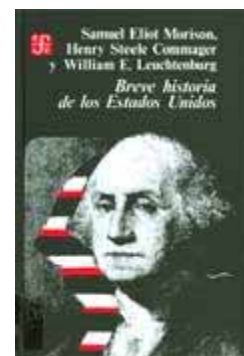

This is the first book to ask and answer the questions about what is to be Latino, and what's the place of Latinos in America. It rejects answers based on stereotypes that feed the fear generated in both, Latino and non Latino population by the enormous growth of the population numbers in the US. Proposes a new way of thinking about Latinos based on a familial-historical view that allows for negotiation, accommodation, and change.

HISTORIA

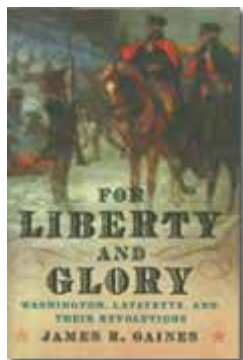

Breve historia de los Estados Unidos

Samuel Eliot Morison, Henry Steele Commager y W.E. Leuchtenburg
México : Fondo de Cultura Económica, 1999.

S 973 MOR

Compendia el desarrollo histórico de este país desde sus orígenes con una visión solidaria de la nación estadounidense en lugar del frío distanciamiento de quienes sólo registran fechas y material onomástico sin darle el relieve que les proporciona la viva materia de la tarea histórica.

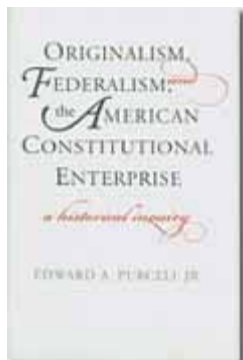

For liberty and glory : Washington, Lafayette, and their revolutions

James R. Gaines
New York, NY : W.W.
Norton & Co, 2007.

973.4 GAI

They began as courtiers in a hierarchy of privilege, but history remembers them as patriot-citizens in a commonwealth of equals. On April 18, 1775, a riot over the price of flour broke out in the French city of Dijon; that same night, across the Atlantic, Paul Revere mounted the fastest horse he could find. So began what have been called the "sister revolutions" of France and America. In a single narrative, this book tells the story of those revolutions and shows just how deeply intertwined they actually were. Their leaders, George Washington and the Marquis de Lafayette, were often seen as father and son, but their relationship, while close, was every bit as complex as the long, fraught history of the French-American alliance. Vain, tough, ambitious, they strove to shape their characters and records into the form they wanted history to remember.

Originalism, federalism, and the American constitutional enterprise : a historical inquiry

Edward A. Purcell
New Haven, CT : Yale
University Press, 2007.

320.473 PUR

Historical examination of American federalism, that refutes the widely accepted notion that the founding fathers carefully crafted a constitutional balance of power between the states and the federal government.

LITERATURA

A companion to twentieth-century American drama

Edited by David Krasner
Oxford : Blackwell, 2007.

REF 812.509 COM

Provides an authoritative survey of twentieth-century American drama studies. Comprising over 30 original essays written by some of the best scholars and critics in the field, it emphasizes research and in-depth analysis, and is informed by debates drawn from past and present dramaturgical discussions.

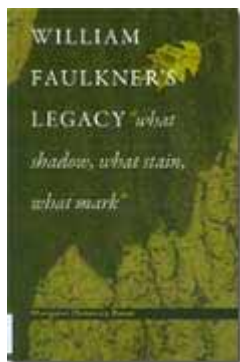

La literatura como exploración

Louise M. Rosenblatt
México : Fondo de
Cultura Económica,
2002.

S 807 ROS

Proporciona una fundamentación teórica a partir de la cual es posible desarrollar una enseñanza en la que la literatura no sea un cuerpo de información a ser transmitida, sino un conjunto de experiencias sobre las cuales reflexionar y en la que se concede un lugar de privilegio a la respuesta personal del lector.

**William Faulkner's
legacy : "what
shadow, what stain,
what mark"**

Margaret Donovan Bauer
Gainesville, FL :
University Press of
Florida, 2005.

813.52 BAU

Examines Faulkner's fiction in relation to other writers of the South whose works echo but also supplement, revise, respond to, and even correct his depictions of the South. Among the most important contributions of this book is its re-examination of Faulkner's white male liberal prototype who feels powerless to effect change and relieve the oppression of African-Americans and women in the South.

MEDIO AMBIENTE

**Environmental
policy analysis and
practice**

Michael R. Greenberg
New Brunswick, NJ :
Rutgers University Press,
2007.

363.70 GRE

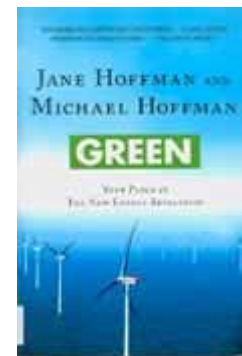

Cuts through the complicated layers of bureaucracy, science, and the public interest to show how all policy considerations can be broken down according to six specific factors: the reaction of elected government officials, the reactions of the public and special interests, knowledge developed by scientists and engineers, economics, ethical imperatives, and time pressure to make a decision.

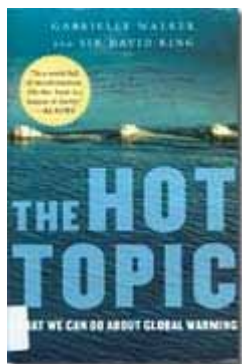

**Green : your place in
the new energy
revolution**

*Jane Hoffman and Michael
Hoffman*
New York, NY : Palgrave
Macmillan, 2008.

333.794 HOF

Contains the unvarnished truth about the coming energy crisis, and what we can do about it. It is a comprehensive guide to the technologies of renewable energy, for both business and homes. Did you know that experts estimate world oil supplies will not last past this century? That the global demand of electricity is projected to grow by 75 percent in the next twelve years? That it is possible to significantly cut the bottom line of your electricity bill by switching to a renewable power source? That Americans threw over 95 million barrels of oil in the garbage last year, by not recycling plastic bottles?

The hot topic : what we can do about global warming

Gabrielle Walker and Sir David King
Orlando, FL : Harcourt, 2008.

363.738 WAL

Authors explain the science of warming, the most cutting-edge technological solutions from small to large, and the national and international politics that will affect our efforts. While there have been many other books about the problem of global warming, none has addressed what we can and should do about it so clearly and persuasively, with no spin, no agenda, and no exaggeration.

NOVELA

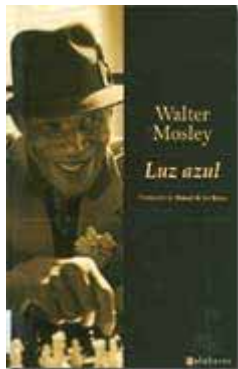

Indian killer

Sherman Alexie
New York, NY : Grove
Press, [2008].

F ALE IND

A serial killer called the Indian Killer is terrorizing Seattle, hunting and scalping white men and adorning their bodies with owl feathers. With acerbic wit and chilling page-turning intensity, Alexie takes an unflinching look at what nurtures rage within a race both colonized and marginalized by a society that neither values nor understands it.

Luz azul

Walter Mosley
Madrid : Bibliópolis, 2007.

S F MOS LUZ

Chance, torturado por su origen mestizo y expulsado del doctorado de Historia por sus extravagantes planteamientos, será el narrador de la venida de la luz azul y de la aparición de un nuevo panteón de individuos superdotados cuyas facultades encuentran difícil acomodo en este mundo. En esta fábula sobre el poder y la responsabilidad, Walter Mosley pone su considerable talento como cronista urbano al servicio de un relato de metamorfosis: la que, traída por la luz azul, impregna la promesa humana y despierta su potencial latente.

S F JAM VUE

Una nueva vuelta de tuerca: las víctimas de las influencias maléficas son dos niños. La propuesta es particularmente audaz si se piensa en la moral victoriana de fines del siglo XIX, sobre todo por lo sugerido en el texto: esos niños se sienten atraídos eróticamente por los corruptores. El fantasma de lo innombrable está presente en todo el relato. Innombrable el frenesí con que una institutriz sublima en el amor apasionado a los niños su irremediable inocencia de solterona, innombrable la relación pasada de las víctimas con sus victimarios del presente. A la manera de una planta venenosa, el fantasma puritano del vicio prolifera por todas partes en el relato, desdibujando con bruscas pinceladas, el perfil de la inocencia, que al fin creíamos tener de lleno ante los ojos.

United States foreign policy and the prospects for peace education

Carl Mirra
Jefferson, NC :
McFarland & Co, 2008.

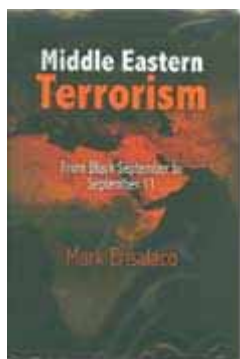

303.66 MIR

U.S. policies toward diplomatic peace education are coming under increasing scrutiny.

This book evaluates the prospects for effective U.S. peace education in the context of post-1945 U.S. foreign policy. The work documents the disparity between U.S. pronouncements about protecting human rights and the systematic erosion of those rights in the international arena, evaluates the challenges the war on terrorism poses for peace education, and examines new ways of thinking.

Since the first airplane hijacking by the Popular Front for the Liberation of Palestine in September 1970 to the Munich

Olympics, to the Embassy bombing in Beirut, to the devastating attacks of September 11, and beyond, terrorism has emerged as the most important security concern of our time. The author reveals the changing motivations from secular Palestinian nationalism to militant Islam and demonstrates how competition among

Authors are well qualified to assess the problems in the air transportation management system and to offer responsible workable solutions. The stories they tell are compelling, and cite multiple reasons for the chaos Americans now face: airline deregulation, multiple governmental agencies with no central oversight or responsibility and a technologically outdated air traffic control system. Fortunately, they also provide a course heading that will put things on the path to recovery.

Madrid : H. Kliczkowski,
2002.

REF S 917.3 DEL

Muestra imágenes de los Estados Unidos, captando la vida ahí donde la encuentra, como el pájaro posado en una rama un instante antes de alzar el vuelo. La obra es, por lo tanto, una especie de mosaico de diversos instantes, imágenes que se reúnen para contar una historia que no podría ser explicada de otro modo.
