## The Writing Project IDIQ

---

**SCOPE** The editorial support IDIQ encompasses writing projects targeted for the general public as the primary audience as well as specific technical audiences (OMB, The Congress, law enforcement specialists, personnel specialists, etc.). The type of projects include corporate-style, informational reports and publications designed to educate and engage citizens regarding the Acquisition Services Directorate (AQD) and its various Civilian and Defense clients policies as well as AQD's PAR, strategic planning papers and documents, strategic human capital management plan and workforce planning-related reports, security and law enforcement policies and procedures, financial management and budget documents, and various other department-level publications requiring professional level writing and editing skills. The contract vehicle provides any of AQD's offices with access to prequalified writing and editing solution partners for a period of five years, issued as a competitive, multiple Indefinite Delivery/Indefinite Quality (IDIQ) award task order vehicle.

**CONTRACT TYPE** This is a Multiple Award Indefinite Delivery/Indefinite Quality for General Editorial Support Services. All task orders will be for General Editorial Support Services and will be competed among the contract holders for an award within 3-4 weeks.

**PERIOD OF PERFORMANCE** August 9, 2005 – August 8, 2010

Contract Number	Contractor	Contractor E-Mail Address
1435-04-05-CT-42821	TBC Solutions	<a href="http://www.tbcsolutions.com/">http://www.tbcsolutions.com/</a>
1435-04-05-CT-42818	HR Communications, Ltd.	<a href="http://www.hrcltd.com/main.html">http://www.hrcltd.com/main.html</a>
1435-04-05-CT-41114	Brotman-Winter-Fried Communications	<a href="http://www.bwfcom.com/">http://www.bwfcom.com/</a>
1435-04-05-CT-42816	The Hartman Partnership	<a href="http://www.hartmanpartners.com/home.htm">http://www.hartmanpartners.com/home.htm</a>

Please note that some contract holders are small business vendors, and any small business award credits will be returned to the funding agency client through the Federal Procurement Data System – Next Generation (FPDS-NG).
