Don't miss invaluable
knowledge to stay
healthy and save money!

Join us on August 15, at the
Historic Gutierrez-Hubbell
House with guest speaker
Mary Lou Singleton!

This is a great opportunity to learn about
native herbs and plants that have
medicinal qualities.

These herbs and plants are a great resource
for keeping families healthy for going back
to school.

Please RSVP to Colleen Langan at
calangan@bernco.gov, 505-314-0398.

This event is part of the
Aldo Leopold Centennial Celebration 2009!
