

the actual or estimated amount of the fees, unless you have indicated a willingness to pay fees as high as those anticipated. If only a portion of the fee can be estimated readily, the Foundation will advise you that the estimated fee may be only a portion of the total fee. In cases in which you have been notified that actual or estimated fees amount to more than \$25.00, the request will not be considered received and further work will not be done on it until you agree in writing to pay the anticipated total fee. A notice under this paragraph will offer you an opportunity to discuss the matter with Foundation personnel in order to reformulate the request to meet your needs at a lower cost.

(f) *Charging interest.* The Foundation may charge interest on any unpaid bill starting on the 31st day following the date of billing. Interest charges will be assessed at the rate provided in 31 U.S.C. 3717 and will accrue from the date of the billing until payment is received by the Foundation.

(g) *Aggregating requests.* Where the Foundation reasonably believes that a requester or a group of requesters acting together is attempting to divide a request into a series of requests for the purpose of avoiding fees, it may aggregate those requests and charge accordingly. The Foundation may presume that multiple requests of this type made within a 30-day period have been made in order to avoid fees. Where requests are separated by a longer period, they will be aggregated only if there exists a solid basis for determining that aggregation is warranted under all the circumstances involved. Multiple requests involving unrelated matters will not be aggregated.

(h) *Advance payments.* (1) No advance payment (that is, payment before work is begun on a request) will ordinarily be required, except as described in paragraphs (h)(2) and (3) of this section. Payment owed for work already completed (that is, a prepayment before copies are sent to you) is not considered an advance payment.

(2) Where the Foundation determines or estimates that a total fee to be charged under this section will be more than \$250.00, it may require you to make an advance payment of an

amount up to the amount of the entire anticipated fee before beginning to process the request, except where it receives satisfactory assurance of full payment from you and you have a history of prompt payment.

(3) If you have previously failed to pay a properly charged FOIA fee within 30 days of the date of billing, the Foundation may require you to pay the full amount due, plus any applicable interest, and to make an advance payment of the full amount of any anticipated fee, before it begins to process a new request or continues to process a pending request from you.

(4) In cases in which the Foundation requires advance payment or payment due under paragraph (h)(2) or (3) of this section, the request shall not be considered received and further work will not be done on it until the required payment is received.

(i) *Requirements for waiver or reduction of fees.* (1) Records responsive to a request will be furnished without charge or at a charge reduced below that established under paragraph (c) of this section where the Foundation determines, based on all available information, that the requester has demonstrated that:

(i) Disclosure of the requested information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government, and

(ii) Disclosure of the information is not primarily in the commercial interest of the requester.

(2) Where only some of the records to be released satisfy the requirements for a waiver of fees, a waiver will be granted for those records.

(3) If you request a waiver or reduction of fees, your request should address the factors listed in paragraph (i)(1) of this section.

Subpart B—Protection of Privacy and Access to Individual Records Under the Privacy Act of 1974

§ 1600.21 General provisions.

(a) *Purpose and scope.* This subpart contains the rules that the Morris K. Udall Scholarship and Excellence in

§ 1600.22

36 CFR Ch. XVI (7-1-04 Edition)

National Environmental Policy Foundation (the "Foundation") follows under the Privacy Act of 1974, 5 U.S.C. 552a. These rules should be read together with the Privacy Act, which provides additional information about records maintained on individuals. The rules in this subpart apply to all records in systems of records maintained by the Foundation that are retrieved by an individual's name or personal identifier. They describe the procedures by which individuals may request access to records about themselves, request amendment or correction of those records, and request an accounting of disclosures of those records by the Foundation. In addition, the Foundation processes all Privacy Act requests for access to records under the Freedom of Information Act (FOIA), 5 U.S.C. 552, following the rules contained in subpart A of this part, which gives requests the benefit of both statutes.

(b) *Applicability.* This subpart applies to all Foundation programs, including the U.S. Institute for Environmental Conflict Resolution (USIECR).

(c) *Definitions.* As used in this subpart:

(1) *Request for access to a record means a request made under Privacy Act subsection (d)(1).*

(2) *Request for amendment or correction of a record means a request made under Privacy Act subsection (d)(2).*

(3) *Request for an accounting means a request made under Privacy Act subsection (c)(3).*

(4) *Requester means an individual who makes a request for access, a request for amendment or correction, or a request for an accounting under the Privacy Act.*

§ 1600.22 Requests for access to records.

(a) *How made and addressed.* You may make a request for access to a Foundation record about yourself by appearing in person or by writing to the Foundation. Your request should be sent or delivered to the Foundation's General Counsel, at 110 S. Church Avenue, Suite 3350, Tucson, AZ 85701-1650. For the quickest possible handling, you should mark both your request letter

and the envelope "Privacy Act Request."

(b) *Description of records sought.* You must describe the records that you want in enough detail to enable Foundation personnel to locate the system of records containing them with a reasonable amount of effort. Whenever possible, your request should describe the records sought, the time periods in which you believe they were compiled, and the name or identifying number of each system of records in which you believe they are kept. The Foundation publishes notices in the FEDERAL REGISTER that describe its systems of records. A description of the Foundation's systems of records also may be found as part of the "Privacy Act Compilation" published by the National Archives and Records Administration's Office of the Federal Register. This compilation is available in most large reference and university libraries. This compilation also can be accessed electronically at the Government Printing Office's World Wide Web site (which can be found at http://www.access.gpo.gov/su_docs).

(c) *Agreement to pay fees.* If you make a Privacy Act request for access to records, it shall be considered an agreement by you to pay all applicable fees charged under § 1600.29 up to \$25.00. The Foundation ordinarily will confirm this agreement in an acknowledgment letter. When making a request, you may specify a willingness to pay a greater or lesser amount.

(d) *Verification of identity.* When you make a request for access to records about yourself, you must verify your identity. You must state your full name, current address, and date and place of birth. You must sign your request and your signature must either be notarized or submitted by you under 28 U.S.C. 1746, a law that permits statements to be made under penalty of perjury as a substitute for notarization. In order to help the identification and location of requested records, you may also, at your option, include your social security number.

(e) *Verification of guardianship.* When making a request as the parent or guardian of a minor or as the guardian of someone determined by a court to be incompetent, for access to records
