

§ 121.1201

(1) An appeal from a contracting officer's NAICS code designation and applicable size standard must be served and filed within 10 calendar days after the issuance of the initial solicitation. OHA will summarily dismiss an untimely NAICS code appeal.

(2)(i) The appeal petition must be in writing and must be sent to the Office of Hearings & Appeals, U.S. Small Business Administration, 409 3rd Street, SW., Suite 5900, Washington, DC 20416.

(ii) There is no required format for a NAICS code appeal, but an appeal must include the following information: the solicitation or contract number; the name, address, and telephone number of the contracting officer; a full and specific statement as to why the NAICS code designation is erroneous, and argument in support thereof; and the name, address and telephone number of the appellant or its attorney.

(3) The appellant must serve the appeal petition upon the contracting officer who assigned the NAICS code to the acquisition and SBA's Office of General Counsel, Associate General Counsel for Procurement Law, 409 3rd Street, SW., Washington, DC 20416.

(4) Upon receipt of a NAICS code appeal, OHA will notify the contracting officer by notice and order of the date OHA received the appeal, the docket number, and the Judge assigned to the case. The contracting officer's response to the appeal must include argument and supporting evidence (*see* part 134, subpart C, of this chapter) and must be received by OHA within 10 calendar days from the date of the docketing notice and order, unless otherwise specified by the Judge. Upon receipt of OHA's docketing notice and order, the contracting officer must immediately send to OHA a copy of the solicitation relating to the NAICS code appeal.

(5) After close of the record, OHA will issue a decision and inform all interested parties, including the appellant and contracting officer. If OHA's decision is received by the contracting officer before the date offers are due, the solicitation must be amended if the contracting officer's designation of the NAICS code is reversed. If OHA's decision is received by the contracting officer after the due date of initial offers,

the decision will not apply to the pending procurement, but will apply to future solicitations for the same products or services.

Subpart B—Other Applicable Provisions

WAIVERS OF THE NONMANUFACTURER RULE FOR CLASSES OF PRODUCTS AND INDIVIDUAL CONTRACTS

§ 121.1201 What is the Nonmanufacturer Rule?

The Nonmanufacturer Rule is set forth in § 121.406(b).

§ 121.1202 When will a waiver of the Nonmanufacturer Rule be granted for a class of products?

(a) A waiver for a class of products (class waiver) will be granted when there are no small business manufacturers or processors available to participate in the Federal market for that class of products.

(b) *Federal market* means acquisitions by the Federal Government from offerors located in the United States, or such smaller area as SBA designates if it concludes that the class of products is not supplied on a national basis.

(1) When considering the appropriate market area for a product, SBA presumes that the entire United States is the relevant Federal market, unless it is clearly demonstrated that a class of products cannot be procured on a national basis. This presumption may be particularly difficult to overcome in the case of manufactured products, since such items typically have a market area encompassing the entire United States.

(2) When considering geographic segmentation of a Federal market, SBA will not necessarily use market definitions dependent on airline radius, political, or SBA regional boundaries. Market areas typically follow established transportation routes rather than jurisdictional borders. SBA examines the following factors, among others, in cases where geographic segmentation for a class of products is urged:
