In this Order, the Division of Enforcement alleges that the seven issuers are delinquent in their required periodic filings with the Commission. The Division of Enforcement also alleges that the common stock of all of the issuers was quoted on the Pink Sheets as of August 26, 2005.

In each of these proceedings, instituted pursuant to Securities Exchange Act of 1934 (Exchange Act) Section 12(j), a hearing will be scheduled before an Administrative Law Judge. At each hearing, the judge will hear evidence from the Division of Enforcement and the respondents to determine whether the allegations of the Division of Enforcement contained in the Order, which the Division alleges constitute a failure to comply with Section 13(a) of the Exchange Act and Rules 13a-1 and 13a-13 thereunder, are true. The judge in each proceeding will then determine whether it is necessary and appropriate for the protection of investors to revoke or suspend for a period not exceeding twelve months the registrations pursuant to Exchange Act Section 12 of the securities of these respondents. The Commission ordered that the Administrative Law Judge in each proceeding issue an initial decision not later than 120 days from the date of service of the order instituting proceedings.
