On November 8, 2005, the Securities and Exchange Commission (Commission) issued an Order Instituting Proceedings (OIP) pursuant to Section 12(j) of the Securities Exchange Act of 1934 (Exchange Act). The OIP specified that it should be served on Respondents personally or by certified mail. (OIP at 4.) On November 8, 2005, the Office of the Secretary (Secretary) distributed 232 copies of the OIP. Respondents were required to file Answers to the allegations in the OIP within ten days after service. (OIP at 4.) As of the date of this order, no Respondent has filed an Answer. On December 2, 2005, the Office of the Secretary distributed 86 copies of the order setting a prehearing conference in the proceeding. No Respondent appeared at the prehearing conference on December 9, 2005.

On December 13, 2005, the Division of Enforcement (Division), acting pursuant to Rules 154(a), 155(a)(1), 155(a)(2), and 250 of the Commission's Rules of Practice, filed a motion for an order of default revoking the registration of each class of securities of each Respondent and, if default is not ordered, for leave to file a motion for summary disposition (Motion). 17 C.F.R. §§ 201.154(a)(1), .155(a)(1), .155(a)(2), .250. The Motion includes a sworn Declaration of David S. Frye (Declaration) with attached Exhibits 1-40. The Division maintains that each Respondent was served with the OIP on November 10, 2005, and that each Respondent failed to file an Answer within the time specified in the OIP.¹ (Motion at 1, 3.) As of the date of this order, no Respondent has filed in opposition to the Division's Motion.² 17 C.F.R. § 201.154(b).

¹ Citing Rule 141(a)(2)(ii) of the Commission's Rules of Practice, the Division asserts that it perfected service pursuant to 8 Del. Code § 321 because the Respondents are all Delaware corporations. 17 C.F.R. § 201.141(a)(2)(ii).

² The Division served copies of the Motion on each Respondent by First Class U.S. Mail on the registered agent for service of process, and/or Delaware Division of Corporations, and/or the bankruptcy trustee.

FINDINGS

Service

The Commission's Rules of Practice specify that service can be made on corporations by, among other specified means, delivering the OIP to "any other agent authorized by appointment or by law to receive such notice." 17 C.F.R. § 201.141(a)(2)(ii). The Respondents are all incorporated in the State of Delaware. (Motion, Exhibits 1-6, 25-26.) Air Packaging Technologies, Inc. (Air Packaging), Apparel Technologies, Inc. (Apparel), DBS Industries, Inc. (DBS), Dental Medical Diagnostic Systems, Inc. (Dental Medical), and Hybrid Networks, Inc. (Hybrid Networks) each had a void status and iPrint Technologies, Inc. (iPrint) had a forfeited status under Delaware law when the Commission issued the OIP. (Motion at 1, Exhibits 1-6.) Respondents' most recent filings with the Commission and the State of Delaware also establish that Respondents did not have any officers, directors, or places of business in the State of Delaware. (Motion, Declaration at 2, Exhibits 7-12.) On November 10, 2005, these six Respondents were served with the OIP by personal service on the Delaware Secretary of State via the Delaware Division of Corporations. (Motion, Declaration at 3, Exhibit 13.) In addition, on November 10, 2005, the OIP was personally served on the registered agent identified on the Web site of the Delaware Division of Corporations for five of these six Respondents. According to the Web site, the sixth Respondent, iPrint, had no registered agent on record.³ See <https://sos-res.state.de.us/tin/GINamesSearch.jsp>. (Motion, Declaration at 3, Exhibits 14-24.)

In November 2005, the two additional Respondents, Chantal Pharmaceutical Corp. (Chantal), and Crown Laboratories, Inc. (Crown), were Delaware corporations in good standing. (Motion, Declaration at 4, Exhibits 25-26.) On November 10, 2005, the registered agents for Chantal and Crown were served with the OIP. (Motion, Declaration at 4, Exhibits, 27-30.)

In addition to the measures described above, the OIP was personally served on Donald Ochacher, the president of Air Packaging, on November 20, 2005; Randy Stratt, a director of DBS, on November 11, 2005; and Michael Greenbaum, the president of Hybrid Networks, on November 18, 2005. (Motion, Declaration at 4-5, Exhibits 7 at 2, 9 at 2, 11 at 2, 31-33.)

I find that each Respondent: (1) was served with the OIP on November 10, 2005; and (2) is in default because it did not timely answer the allegations in the OIP, did not appear at the prehearing conference on December 9, 2005, of which it had notice, and did not reply to the Division's dispositive Motion, or otherwise defend the proceeding. Pursuant to Rule 155(a) of the Commission's Rules of Practice, I find the allegations in the OIP to be true. 17 C.F.R. §§ .201.155(a), .220(f), .221(f); OIP at 4.

Delinquent Periodic Filings

Section 13(a) of the Exchange Act and Rules 13a-1 and 13a-13 thereunder require issuers with classes of securities registered pursuant to Section 12(g) of the Exchange Act to file with the Commission current and accurate information in annual and quarterly reports on Forms 10-K or 10-KSB and Forms 10-Q or 10-QSB, respectively. Based on the Respondents' failure to file required periodic reports, I find that each of the Respondents has failed to comply with Section 13(a) of the Exchange Act and Rules 13a-1 and 13a-13.⁵

SANCTIONS

Section 12(j) of the Exchange Act authorizes the Commission where it is necessary or appropriate for the protection of investors to revoke the registration of a security where the issuer of a security has failed to comply with a provision of the Exchange Act or the rules thereunder. I

conclude on these facts that revocation of the registration of each class of each Respondent's registered securities is both necessary and appropriate for the protection of investors.
