### § 351.3 What special terms do I need to know to understand this part?

*Accrual date* is the first day of any month on which earnings on a Series EE bond accrue. The redemption value of a bond does not change between these accrual dates.

*Automated Clearing House (ACH)* means a funds transfer system governed by the Rules of the National Automated Clearing House Association (NACHA). NACHA provides for the interbank clearing of electronic entries for participating financial institutions.

*Bank account* means your account at a United States depository financial institution (whether a bank or other financial institution) to which you have directed that ACH debits and payments be made.

*Beneficiary* refers to the second individual named in the registration of a security held in definitive form registered “John Doe SSN 123-45-6789 POD (payable on death to) Joseph Doe.” In the New Treasury Direct system, beneficiary refers to the second individual named in the registration of a security registered “John Doe SSN 123-45-6789 POD (payable on death to) Joseph Doe SSN 987-65-4321.” In these examples, Joseph Doe is the beneficiary.

*Book-entry bond* means a Series EE savings bond maintained by Treasury solely as a computer record.

*Converted bond* means a savings bond originally issued as a definitive bond that has been surrendered to us and converted to a book-entry savings bond

## 31 CFR Ch. II (7-1-08 Edition)

to be maintained by Treasury solely as a computer record.

*Coowner* means either the first or the second individual named in the registration of a definitive Series EE savings bond registered “John Doe SSN 123-45-6789 or Joseph Doe.” In this example, John Doe and Joseph Doe are coowners.

*Definitive bond* means a Series EE savings bond issued in paper form.

*Extended maturity period, second extended maturity period, and extended maturity* refer to periods after the original maturity dates of the bonds during which owners may retain them and continue to earn interest.

*Face amount* refers to the nominal amount of a Series EE savings bond. The face amount of a definitive Series EE bond is imprinted on the front of the bond. The face amount of a book-entry Series EE bond is the amount of the original investment. (See principal amount.)

*Fiduciary* means the court-appointed or otherwise qualified person, regardless of title, who is legally authorized to act for another. Fiduciary does not include an attorney-in-fact.

*Final maturity* refers to the date that a bond ceases to earn interest.

*Individual* means a natural person. Individual does not mean an organization, representative, or fiduciary.

*Inscription* means the information that is printed on the face of the bond.

*Interest*, as used in this part, is the difference between the principal amount and the redemption value of the bond.

*Issue date* is the first day of the month in which an authorized issuing agent receives payment of the issue price of the bond.

*Issuing agent* means an organization that has been qualified under 31 CFR part 317, and any other entity that is otherwise authorized to issue bonds.

*New Treasury Direct system (New Treasury Direct)* is an online account system in which you may hold and conduct transactions in eligible book-entry Treasury securities.

*Original maturity period or original maturity* refers to the initial maturity period of a bond prior to any extensions of maturity; this period varies from 8
