E. Action Plans: FY 2008 and FY 2009

1. CHALENG Point of Contact Action Plan for FY 2008: Results*

| Long-term, permanent housing | We continue to work with landlords to find new permanent housing options. A plan to develop 15 HUD Shelter Plus Care beds was delayed when a partner pulled out. We will work with City of El Paso and the Opportunity Center to find a new sponsor. |
|------------------------------------|--|
| Dental Care | We received an additional \$20,000 for care through the Homeless Veterans Dental Program (HVDP). Local clinics and community hospital provide care to Veterans that qualify. |
| SSI/SSD process | Texas Rio Grande Legal Aid expanded its services to help our Veterans with SSI/SSDI process. We have a good relationship with an SSI representative who has been very helpful. Other agencies continue to provide services as well: Texas Veterans Commission, Workforce Solutions Upper Rio Grande, and Texas Department of Assistive and Rehabilitative Services. |

*The Action Plan consisted of proposed strategies the local VA program and its community partners *would use* to address priority needs in FY 2008. This is the final report about progress towards achieving FY 2008 goals.

2. Community Agencies Acknowledged for Their Assistance in Addressing FY 2008 Action Plan.

| Agency #1 | The El Paso Coalition for the Homeless has provided a wealth of services for VA. The Coalition helps us find sponsors, write up MOU's, and provides leads to new resources. |
|-----------|---|
| Agency #2 | The VA Homeless Veterans Dental Program (HVDP) responded to our local needs by providing additional funding for dental care. |
| Agency #3 | Texas Rio Grande Legal Aid expanded its capacity and is very interested in helping homeless Veterans become self-sufficient through entitlements. |

3. CHALENG Point of Contact Action Plan for FY 2009: Proposed*

| Long-term, permanent housing | We were awarded 35 vouchers for our HUD-VASH program. HUD Shelter Plus Care funding is in place. We need to establish a sponsor at this point. |
|---|---|
| Emergency (immediate) shelter | We will have an informal agreement with an emergency women's shelter via The Opportunity Center for the Homeless. We will have discussions with shelter director about special designation for Veteran beds. |
| Help with finding a job or getting employment | The VA Compensated Work Therapy program works closely with programs sponsored by the Department of Labor. They also work closely with Goodwill Industries. All these agencies have been tremendous employment resources for our homeless Veterans. |

*The Action Plan outlines proposed strategies the local VA program and its community partners *will use* to address its priority needs in FY 2009. Results of these 2009 targets will be reported in next year's CHALENG report.

E. Action Plans: FY 2008 and FY 2009

1. CHALENG Point of Contact Action Plan for FY 2008: Results*

| Emergency (immediate) shelter | The VA is currently working with a coalition in an attempt to help create more emergency medical respite bills. There has been little progress made in establishing new shelter beds in Albuquerque or the greater New Mexico area. |
|---|---|
| Long-term, permanent housing | In addition to our HUD-VA Supported Housing program, multiple agencies have either completed or begun construction on supportive housing projects. |
| Services for emotional or psychiatric problems | VA provided training on PTSD to multiple community provider who may be working with returning OIF/OEF (Iraq and Afghanistan) Veterans. Additionally, the state of new Mexico has funded a program to provide mental health services to returning Veterans in rural areas. |

*The Action Plan consisted of proposed strategies the local VA program and its community partners *would use* to address priority needs in FY 2008. This is the final report about progress towards achieving FY 2008 goals.

2. Community Agencies Acknowledged for Their Assistance in Addressing FY 2008 Action Plan.

| Agency #1 | Community Area Resource Enterprise (CARE 66) opened Chuska Apartments, a low-income complex in Gallup. It is a 30-unit complex that was built with "green" design concepts. |
|-----------|---|
| Agency #2 | Supportive Housing Coalition of New Mexico (SHCNM) has started work on a low-income housing complex in the Albuquerque area. |
| Agency #3 | First Nations is an urban Native American clinic. This agency conducts joint outreach with us and helps us reach Native American Veterans who are homeless. |

3. CHALENG Point of Contact Action Plan for FY 2009: Proposed*

| Long-term, permanent housing | Repeat goal from 2007. Continue to work with different state coalitions in addressing this issue. Focus on HUD-VASH. The group discussed the importance of hiring full time staff for this program. Advocate to the appropriate agencies to increase the 35 HUD-VASH vouchers awarded to the State of New Mexico with an emphasis on getting vouchers awarded to areas beside the Albuquerque PHA. |
|---|--|
| Services for emotional or psychiatric problems | Repeat goal from 2007. Concerns of the community is focused on returning Veterans. The community is interested in getting training on issues with Post Traumatic Stress Disorder and also being able to assist Veterans in accessing care. |
| Food | This is a new category tor this state. It applies more to the Balance of State and not specifically to Albuquerque area. Actions identified were to increase communication and access of state agencies to local and state food banks. Also to create a state wide resource list for food sites and food closets available through out the state. |

*The Action Plan outlines proposed strategies the local VA program and its community partners *will use* to address its priority needs in FY 2009. Results of these 2009 targets will be reported in next year's CHALENG report.

E. Action Plans: FY 2008 and FY 2009

1. CHALENG Point of Contact Action Plan for FY 2008: Results*

| Halfway house or transitional living facility | Ozanam Manor secured funding for 41 beds for severely mentally ill Veterans. OIF/OEF (Operation Iraqi Freedom/Operation Enduring Freedom) homeless Veterans are immediately placed in an emergency bed or a local transitional bed at Stepshouse, Inc. or Sahuaro Living. They receive priority for the next opening at a VA Grant and Per Diem program. |
|---|---|
| Long-term, permanent housing | We received 105 HUD-VA Supported Housing vouchers. We are working collaboratively with U.S. VETS, CASS (Central Arizona Shelter Services), and Steps House to identify more affordable permanent housing. |
| Child care | Resources for families remains sparse. UMOM New Day Centers and HUD-VA Supported Housing serve as primary shelter and permanent housing resources respectively. |

*The Action Plan consisted of proposed strategies the local VA program and its community partners *would use* to address priority needs in FY 2008. This is the final report about progress towards achieving FY 2008 goals.

2. Community Agencies Acknowledged for Their Assistance in Addressing FY 2008 Action Plan.

| Agency #1 | Stepshouse, Inc. provides immediate halfway housing for homeless Veterans with substance abuse, mental and/or physical health issues. |
|-----------|---|
| Agency #2 | Sahuaro Living provides immediate housing access to Veterans who do not need intensive case management. |
| Agency #3 | CASS (Central Arizona Shelter Services) provides immediate emergency shelter beds and 43 VA Grant and Per Diem beds. |

3. CHALENG Point of Contact Action Plan for FY 2009: Proposed*

| Transitional living facility or halfway house | Continue to engage growing homeless Veteran population in the Phoenix metropolitan area: promote Veteran access to VA care and placement in contracted beds. Identify funding opportunities to increase number of transitional housing beds for homeless Veterans with mental health, medical and substance abuse disorders. |
|---|---|
| Long-term, permanent housing | Implement HUD-VASH program. Work collaboratively with HUD to increase the number of VASH vouchers proportionate to need and demand. Work with U.S. Vets and Stephouse to identify opportunities for low-income permanent housing units. |
| Emergency (immediate) shelter | Continue to utilize CASS Veterans- contracted beds and explore opportunities to secure additional Per Diem beds to address growing sub-populations: OIF/OEF and Veterans with substance abuse and mental health issues (other than SMI), and physical health disabilities. |

*The Action Plan outlines proposed strategies the local VA program and its community partners *will use* to address its priority needs in FY 2009. Results of these 2009 targets will be reported in next year's CHALENG report.
