

ADOBE ebooks

Once you have selected and checked out an **ebook**, you will see this screen:

The screenshot shows a web browser window with a navigation sidebar on the left and a main content area. The sidebar includes links for 'New to Digital Media?', 'Digital Media Guided Tour', 'Digital Media FAQ', and 'How to find and borrow digital media'. It also lists 'Featured Fiction' (General Fiction, Historical Fiction, Juvenile Fiction, Mystery, Romance, More...) and 'Featured Nonfiction' (Business & Careers, Biography & Autobiography, Computers & Technology, Juvenile Nonfiction, Travel, More...). The main content area is titled 'Download' and contains instructions on how to download the ebook. It lists the title 'Your Bed or Mine?' by Kate Hoffmann, checked out on Jul 08, 2009, and expires on Jul 18, 2009. A 'Download' button is visible at the bottom of the main content area.

Click on **CICK HERE** to download the software needed.

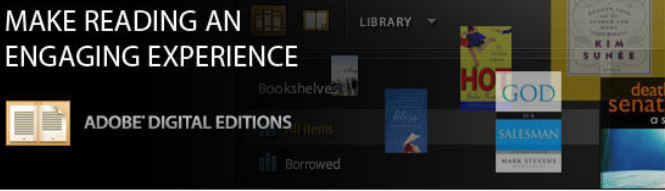

The screenshot shows a web browser window with a navigation sidebar on the left and a main content area. The sidebar is identical to the previous screenshot. The main content area is titled 'Help - Software - Adobe PDF eBooks' and features a 'Get ADOBE® DIGITAL EDITIONS' button and a link 'To download Adobe® Digital Editions, click here.' Below this, there is a list of links for system requirements and installation instructions for Windows and Macintosh. The 'System Requirements for Adobe Digital Editions for Windows®' section is expanded, showing requirements for Processor (500MHz or faster Intel® Pentium® processor), Operating Systems (Windows Vista®, Windows XP SP2, Microsoft Windows 2000 with Service Pack 4), Memory (128 MB of RAM), and Browser (Internet Explorer® 6 (or newer)).

Read the system requirements and continue down to the section below. You will need to follow the instructions for getting and installing **Adobe Digital Editions**. One you have clicked on Download, you must **scroll down** to actually **launch** the installer. Then return to the instructions page and continue with instructions for the other software –**Adobe Flash Player**)
