

06-484 TELLABS, INC V. MAKOR ISSUES & RIGHTS, LTD

DECISION BELOW:437 F3d 588

LOWER COURT CASE NUMBER: 04-1687

QUESTIONS PRESENTED:

Whether, and to what extent, a court must consider or weigh competing inferences in determining whether a complaint asserting a claim of securities fraud has alleged facts sufficient to establish a “strong inference” that the defendant acted with scienter, as required under the Private Securities Litigation Reform Act of 1995.
