REMARKS

SUBJECT: Attached Memo from U.S. Ambassador to All American Employees of the U.S. Mission, Laos.

I am attaching a copy of subject memorandum for you, since I am certain it will be of interest to you and the Managing Director. You will note that it is not classified, although I understand that the Ambassador has asked that it not be released to the press without at least prior permission from Washington.

I think it is an eloquent testimony to an awful lot of hard work by Air America during the hard months that now, fortunately, lie behind us.
