¹ Includes all covered dental procedures except orthodontia. Coverage for dental procedures may be subject to scheduled allowance, deductible, or coinsurance provisions, in addition to annual plan maximum. If separate annual maximums applied to different dental procedures, the sum of the maximum was tabulated.

² Less than 0.05.

³ The percentile groupings are based on the average wage for each occupation surveyed, which may include workers both above and below the threshold. The percentile values are based on the estimates published in the "National Compensation

Survey: Occupational Earnings in the United States, 2007." See Technical Note for more details.

NOTE: Dashes indicate that no data were reported or that data do not meet publication criteria. For definitions of major plans, key provisions, and related terms, see the "Glossary of Employee Benefit Terms" at www.bls.gov/ncs/eps/glossary20082009.htm.
