

**UNITED STATES INTERNATIONAL TRADE COMMISSION
Washington, DC**

**In the Matter of
CERTAIN LENS-FITTED FILM PACKAGES**

Investigation No. 337-TA-406

SEIZURE AND FORFEITURE ORDER

The U.S. Bureau of Customs and Border Protection (“Customs”) has informed the Commission that (i) the owner, importer or consignee (or the agent of such person) of certain lens-fitted film packages (also known as disposable cameras) previously attempted to import the article into the United States; (ii) Customs previously denied entry of the article into the United States by reason of a final exclusion order; and (iii) upon such previous denial of entry, the Secretary of the Treasury provided the owner, importer, or consignee of the article (or the agent of such person) with written notice of the aforesaid exclusion order and the fact that seizure and forfeiture would result from any further attempt to import the article into the United States. The Commission having determined, based on these and other documents provided by Customs, that the issuance of a seizure and forfeiture order concerning the article would be appropriate pursuant to section 337(i) of the Tariff Act of 1930 (19 U.S.C. § 1337(i)), it is hereby

ORDERED:

1. Lens-fitted film packages that are imported in violation of the exclusion order in the above-captioned investigation are to be seized and forfeited to the United States, if imported by the following firm: Synmax Company, 16500 Indian Creek Parkway, Olathe, Kansas, 66062.
2. The Secretary shall serve copies of this order on the Secretary of the Treasury; U.S. Bureau of Customs and Border Protection, Washington, D.C.; U.S. Bureau of Customs and Border Protection, Kansas City, Missouri ; the firm listed in paragraph 1 above; and counsel for Fuji Corp., the complainant in Inv. No. 337-TA-406.

For the Commission.
