Dear Ms. Decker:

This is in response to your operating subsidiary application, filed on behalf of Swineford National Bank ('Bank') on October 20, 2006. The bank proposes to establish an operating subsidiary, SNB Services, LLC, ('SNBS'), located at One Penn Square, Lancaster, Pennsylvania 17602, to engage in certain permissible activities as described in your letter, dated October 20, 2006.

Based on a thorough review of all information available, including the representations and commitments made in this application and by the Bank's representatives, the Office of the Comptroller of the Currency (OCC) hereby approved the Bank's application to establish SNBS to provide human resources services and operations services solely to the Bank.

This approval and the activities and communications by OCC employees in connection with the filing do not constitute a contract, express or implied, or any other obligation binding upon the OCC, the United States, any agency or entity of the United States, or any officer or employee of the United States, and do not affect the ability of the OCC to exercise its supervisory, regulatory, and examination authorities under applicable law and regulations. The foregoing may not be waived or modified by any employee or agent of the OCC or the United States.

The Bank is reminded that the operating subsidiary is subject to and must be operated within the constraints of all national banking laws, rules, and regulations and OCC published guidance.
