<sup>1</sup> This is a list of tribes names compiled from responses received from previous censuses to reflect the different ways people report information on tribal affiliation. It was sent to tribal leaders in 2007 and 2008 asking them to carefully review it and provide any additions, deletions, spelling variations, and/or abbreviations that members of their tribe or community may use in order to update the list for the 2010 Census. It is a working document of a proposed 2010 American Indian and Alaska Native tribes listing, and the Census Bureau is currently working towards incorporating the possible changes being suggested.
