

UNITED STATES INTERNATIONAL TRADE COMMISSION
Washington, D.C. 20436

In the Matter of

**CERTAIN NETWORK CONTROLLERS
AND PRODUCTS CONTAINING SAME**

Investigation No. 337-TA-531

**NOTICE OF A COMMISSION DETERMINATION NOT TO REVIEW AN INITIAL
DETERMINATION GRANTING A MOTION TO AMEND THE COMPLAINT AND
NOTICE OF INVESTIGATION**

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review the presiding administrative law judge's ("ALJ's") initial determination ("ID") granting complainant's motion to amend the complaint and notice of investigation in the above-captioned investigation to add claims 1, 13, 20, and 73 of U.S. Patent No. 6,462,688 .

FOR FURTHER INFORMATION CONTACT: Timothy P. Monaghan, Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street, S.W., Washington, D.C. 20436, telephone 202-205-3152. Copies of the nonconfidential version of the ID and all nonconfidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street, S.W., Washington, D.C. 20436, telephone 202-205-2000. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on 202-205-1810. General information concerning the Commission may also be obtained by accessing its Internet server (<http://www.usitc.gov>). The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION: The Commission instituted this patent-based section 337

investigation on January 19, 2005, based on a complaint filed by Marvell International, Ltd., of Hamilton, Bermuda ("Marvell"). 70 Fed. Reg. 3067. The respondents named in the investigation are Realtek Semiconductor Corporation, of Taiwan; Real Communications, Inc., of San Jose; California, and Bizlink Technology, Inc., of Fremont, California. The complaint alleged that respondents violated section 337 by importing into the United States, selling for importation, and/or selling within the United States after importation certain network controllers and products containing same by reason of infringement of U.S. Patent Nos. 6,775,529; and 6,462,688 ("the '688 patent").

On June 9, 2005, the ALJ issued the subject ID, Order No. 9, granting complainant's motion to amend the complainant and notice of investigation. The ALJ found that Marvell had demonstrated good cause for amending the complaint and notice of investigation by adding claims 1, 13, 20, and 73 of the '688 patent because "new information was only recently discovered during discovery" that related to those claims. Order No. 9, p. 2.

No party filed a petition to review the subject ID.

This action is taken under the authority of section 337 of the Tariff Act of 1930, 19 U.S.C. § 1337, and section 210.42 of Rules of Practice and Procedure, 19 C.F.R. § 210.42.

By order of the Commission.

Marilyn R. Abbott
Secretary to the Commission

Issued: July 8, 2005
