

What shots do I need when I come home to New Orleans?

- **When you come home to New Orleans, you only need a tetanus shot if you have not had one in the last 10 years.**
- **If you do not know how long ago you had a tetanus shot, you should get one.**
- **Tetanus is the only shot needed by people coming home to New Orleans.**
- **More details about coming back to New Orleans are at www.cityofno.com**
