Subject: Appeal Timing estimates

Ms. Fawcett,

I am responding to the table of Appeal Timing Estimates in the June 9 Federal Register. Here are more realistic values based on my practice:

Appeal Brief – 15 hours
Petition for Extension of Time – 1 hour
Petition to Increase Page Limit – 1 hour (not based on actual experience with such petitions, but a reasonable estimate given the subject)
Reply Brief – 15 hours
Request for Rehearing – no personal experience, but I have to assume a time burden on par with the briefs, 5 hours seems too low)

Best regards,

-Robert Hayden
