

Pending Storage Projects

The map and table below list all FERC pending natural gas storage projects. Pending projects are those in which an application has been submitted, but a final Commission decision has not yet been reached. The projects listed may include new storage fields as well as enhancements or changes to existing fields. Specific information about any of these projects can be obtained on the web at www.ferc.gov using the “eLibrary” link. Enter the appropriate date range and docket number in the appropriate field and click “submit” to browse the official record for each case. For assistance, contact FERC at FERCOnlineSupport@ferc.gov or call toll-free (866) 208-3676 or TYY, (202) 502-8659.

For questions or suggestions for how this page can be improved, please contact Cyrus Zarraby at cyrus.zarraby@ferc.gov or call (202)502-8218.
