§ 570.401 Community adjustment and economic diversification planning assistance.

(a) *General*—(1) *Purpose.* The purpose of this program is to assist units of general local government in non-entitlement areas to undertake the planning of community adjustments and economic diversification activities, in response to physical, social, economic or governmental impacts on the communities generated by the actions of the Department of Defense (DoD) defined in paragraph (a)(2) of this section.

(2) *Impacts.* Funding under this section is available only to communities affected by one or more of the following DoD-related impacts:

(ii) The cancellation or termination of a DoD contract or the failure to proceed with an approved major weapon system program;

(iii) A publicly announced planned major reduction in DoD spending that would directly and adversely affect a unit of general local government and result in the loss of 1,000 or more full-time DoD and contractor employee positions over a five-year period in the unit of general local government and the surrounding area; or

(iv) The Secretary of HUD (in consultation with the Secretary of DoD) determines that an action described in paragraphs (a)(2)(i)–(iii) of this section is likely to have a direct and significant adverse consequence on the unit of general local government.

(3) *Form of awards.* Planning assistance will be awarded in the form of grants.

(4) *Program administration.* HUD will publish in the FEDERAL REGISTER early in each fiscal year the amount of funds to be available for that fiscal year for awards under this section.
