§ 570.430 Hawaii program operation requirements.

(a) *Limitation on planning and administrative costs.* For grants made with allocations prior to FY 1995, no more than 20 percent of the sum of the grant plus program income received during the grant period shall be expended for planning and program administrative costs. For grants received from allocations in FY 1995 and thereafter, a grantee will be considered to be in conformance with the requirements of § 570.200(g) if funds obligated for planning and administration during the most recently completed program year do not exceed 20 percent of the sum of the grant made for that program year and the program income received from post FY 1994 grants during that program year.

(b) *Performance and evaluation reports.* Grantees will follow the requirements of § 570.507(a) for entitlement grant recipients for all grants received in FY 1995 and thereafter. Grantees will continue following the requirements of § 570.507(a) for HUD-administered small cities grants for grants received prior to FY 1995 until those grants are closed out.

(c) *Grant closeouts.* Grants received prior to FY 1995 shall be closed out in accordance with the procedures in § 570.509. Grants received in FY 1995 and thereafter shall not be closed out individually. A grantee's entire program shall be closed upon program completion if a grantee ceases its participation in the Small Cities Program.

(d) *Public Services.* Starting with the FY 1996 grant, grantees may follow the provisions of § 570.201(e)(1) that refer to entitlement grantees, allowing grantees to use 15 percent of the program income received in the previous program year in addition to 15 percent of the grant amount for public services.

(e) *Compliance with the primary objective.* Starting with the FY 1995 grant, grantees may select a time period of

one, two or three program years in which to meet the requirement that not less than 70 percent of the aggregate of CDBG fund expenditures be for activities benefitting low- and moderate-income persons. Grants made from allocations prior to FY 1995 will be considered individually for meeting the primary objective, and expenditures for grants from pre-FY 1995 allocations made during and after FY 1995 will not be considered in determining whether the primary objective has been met for post-1994 allocations. If the State of Hawaii decides to administer the Community Development Block Grant Program for nonentitlement units of general local government in Hawaii, the State will be bound by the time period for meeting the primary objective that was chosen by each nonentitlement grantee within the State until those time periods have expired.

(f) *Program amendments for grants received prior to FY 1995.* Grantees must follow the requirements of 24 CFR 91.505 when amending their program with regard to grants received prior to FY 1995. For purposes of this paragraph (f), the term *consolidated plan* as used in 24 CFR 91.505 means an application submitted under the Hawaii program for pre-FY 1995 funds. Also for purposes of this paragraph (f), to comply with the requirements of 24 CFR 91.505, grantees must refer to their current citizen participation plans (adopted in accordance with 24 CFR 91.505) to determine the criteria for substantial amendment and the citizen participation process to be followed.

§ 570.431 Citizen participation.

(a) *General.* An applicant that is located in a nonentitlement area of a State that has not elected to distribute funds shall comply with the citizen participation requirements described in this section, including requirements for the preparation of the proposed application and the final application. The requirements for citizen participation do not restrict the responsibility or authority of the applicant for the development and execution of its community development program.

(b) *Citizen participation plan.* The applicant must develop and follow a detailed citizen participation plan and must make the plan public. The plan must be completed and available before the application for assistance is submitted to HUD, and the applicant must certify that it is following the plan. The plan must set forth the applicant's policies and procedures for:

(1) Giving citizens timely notice of local meetings and reasonable and timely access to local meetings, information, and records relating to the grantee's proposed and actual use of CDBG funds including, but not limited to:

(i) The amount of CDBG funds expected to be made available for the coming year, including the grant and anticipated program income;

(ii) The range of activities that may be undertaken with those funds;

(iii) The estimated amount of those funds proposed to be used for activities that will benefit low- and moderate-income persons;

(iv) The proposed CDBG activities likely to result in displacement and the applicant's plans, consistent with the policies developed under § 570.606(b), for minimizing displacement of persons as a result of its proposed activities; and

(v) The types and levels of assistance the applicant plans to make available (or to require others to make available) to persons displaced by CDBG-funded activities, even if the applicant expects no displacement to occur;

(2) Providing technical assistance to groups representative of persons of low- and moderate-income that request assistance in developing proposals. The level and type of assistance to be provided is at the discretion of the applicant. The assistance need not include the provision of funds to the groups;

(3) Holding a minimum of two public hearings, for the purpose of obtaining citizens' views and formulating or responding to proposals and questions. Each public hearing must be conducted at a different stage of the CDBG program. Together, the hearings must address community development and housing needs, development of proposed activities and review of program performance. There must be reasonable

notice of the hearings and the hearings must be held at times and accessible locations convenient to potential or actual beneficiaries, with reasonable accommodations including material in accessible formats for persons with disabilities. The applicant must specify in its plan how it will meet the requirement for hearings at times and locations convenient to potential or actual beneficiaries;

(4) Meeting the needs of non-English speaking residents in the case of public hearings where a significant number of non-English speaking residents can reasonably be expected to participate;

(5) Responding to citizen complaints and grievances, including the procedures that citizens must follow when submitting complaints and grievances. The applicant's policies and procedures must provide for timely written answers to written complaints and grievances within 15 working days of the receipt of the complaint, where practicable; and

(6) Encouraging citizen participation, particularly by low- and moderate-income persons who reside in slum or blighted areas, and in other areas in which CDBG funds are proposed to be used.

(c) *Publication of proposed application.*

(1) The applicant shall publish a proposed application consisting of the proposed community development activities and community development objectives in order to afford affected citizens an opportunity to:

(i) Examine the application's contents to determine the degree to which they may be affected;

(ii) Submit comments on the proposed application; and

(iii) Submit comments on the performance of the applicant.

(2) The requirement for publishing in paragraph (c)(1) of this section may be met by publishing a summary of the proposed application in one or more newspapers of general circulation, and by making copies of the proposed application available at libraries, government offices, and public places. The summary must describe the contents and purpose of the proposed application, and must include a list of the locations where copies of the entire proposed application may be examined.

(d) *Preparation of a final application.* An applicant must prepare a final application. In the preparation of the final application, the applicant shall consider comments and views received related to the proposed application and may, if appropriate, modify the final application. The final application shall be made available to the public and shall include the community development objectives and projected use of funds, and the community development activities.

(e) *New York grantee amendments.* To assure citizen participation on program amendments to final applications that require HUD approval under § 570.427, the grantee shall:

(1) Furnish citizens information concerning the amendment;

(2) Hold one or more public hearings to obtain the views of citizens on the proposed amendment;

(3) Develop and publish the proposed amendment in such a manner as to afford affected citizens an opportunity to examine the contents, and to submit comments on the proposed amendment;

(4) Consider any comments and views expressed by citizens on the proposed amendment and, if the grantee finds it appropriate, modify the final amendment accordingly; and

(5) Make the final amendment to the community development program available to the public before its submission to HUD.

§ 570.432 Repayment of section 108 loans.

Notwithstanding any other provision of this subpart, a unit of general local government in a nonentitlement area where the State has not elected to administer the CDBG program shall be eligible for Small Cities Grant assistance hereunder for the sole purpose of paying any amounts due on debt obligations issued by such unit of general local government (or its designated public agency) and guaranteed by the Secretary pursuant to section 108 of the Act (see subpart M of this part). The award of grant assistance for such purpose shall be consistent with section 106(d)(3)(B) of the Act, in such amount, and subject to such conditions as the Secretary may determine. Since guaranteed loan funds (as defined in

§ 570.701) are required to be used in accordance with national and primary objective requirements, and other applicable requirements of this part, any grant made to make payments on the debt obligations evidencing the guaranteed loan shall be presumed to meet such requirements, unless HUD determines that the guaranteed loan funds were not used in accordance with such requirements. Any such determination by HUD shall not prevent the making of the grant in the amount of the payment due, but it may be grounds for HUD to take appropriate action under subpart O of this part based on the original noncompliance.

Subpart G—Urban Development Action Grants

SOURCE: 47 FR 7983, Feb. 23, 1982, unless otherwise noted.

§ 570.450 Purpose.

The purpose of urban development action grants is to assist cities and urban counties that are experiencing severe economic distress to help stimulate economic development activity needed to aid in economic recovery. This subpart G contains those regulations that are essential for the continued operation of this grant program.

[61 FR 11476, Mar. 20, 1996]

§ 570.456 Ineligible activities and limitations on eligible activities.

(a) Large cities and urban counties may not use assistance under this subpart for planning the project or developing the application. However, they may use entitlement community development block grant funds for this purpose, provided that the UDAG project meets the eligibility test of this part. Any small city which submits a project application which is selected for preliminary approval and for which legally binding grant agreement and for which a release of funds pursuant to 24 CFR part 58 has been issued may devote up to three (3) percent of the approved amount of its action grant to defray its actual costs in planning the project and preparing its application.
