In making this review, the Department will determine if the grantee has taken actions required under § 85.36(e) of this chapter, and will review the effectiveness of those actions in accomplishing the objectives of § 85.36(e) of this chapter and the Executive Orders. § 570.905 Review of continuing capacity to carry out CDBG funded activities in a timely manner.

If HUD determines that the recipient has not carried out its CDBG activities and certifications in accordance with the requirements and criteria described in § 570.901 or 570.902, HUD will undertake a further review to determine whether or not the recipient has the continuing capacity to carry out its activities in a timely manner. In making the determination, the Department will consider the nature and extent of the recipient's performance deficiencies, types of corrective actions the recipient has undertaken and the success or likely success of such actions.

§ 570.906 Review of urban counties.

In reviewing the performance of an urban county, HUD will hold the county accountable for the actions or failures to act of any of the units of general local government participating in the urban county. Where the Department finds that a participating unit of government has failed to cooperate with the county to undertake or assist in undertaking an essential community development or assisted housing activity and that such failure results, or is likely to result, in a failure of the urban county to meet any requirement of the program or other applicable laws, the Department may prohibit the county's use of funds made available under this part for that unit of government. HUD will also consider any such failure to cooperate in its review of a

future cooperation agreement between the county and such included unit of government described at § 570.307(b)(2).
