TO: Family and Consumer Sciences State Extension Assistant Directors/Program Leaders

SUBJECT: Directory of Family and Consumer Sciences State Extension Assistant Directors/Program Leaders

The Families, 4-H, and Nutrition (F4HN) Unit, in the Cooperative State Research, Education, and Extension Service of the United State Department of Agriculture is pleased to make this directory of the *Family and Consumer Sciences State Extension Assistant Directors/Program Leaders* available. This directory consists of Assistant Directors and State Leaders of Family Consumer Sciences at land-grant institutions.

The purpose of this directory is to promote communication among the Family and Consumer Sciences State Extension Leaders who serve as primary points of contact. The directory provides three types of information: 1) addresses for direct mailing to state contacts, 2) e-mail addresses for listserves supported by F4HN, and 3) telephone and fax numbers.

We hope this directory is useful and would appreciate your cooperation in helping us keep it updated. For expedient communication on listserves, timely e-mail address updates are critical. Send updates and other directory changes to Mary M. Little-Irvin, Program Assistant at mirvin@csrees.usda.gov, phone (202)720-6925, or fax (202)720-9366.

Your suggestions for improving the communication system are always welcome.

Sincerely,

Cynthia Reeves Tuttle, Ph.D., M.P.H.
Director of Nutrition and Family Sciences
Families, 4-H, and Nutrition
