TOBACCO BOND - SURETY

GENERAL INSTRUCTIONS

A. When must I complete and file this bond? The provisions of 26 U.S.C. Chapter 52 require a bond for a person who conducts business as a manufacturer of tobacco products, proprietor of an export warehouse, or manufacturer of cigarette papers and tubes. This bond shows that you have a bond with a corporate surety and that you and the corporate surety are responsible for the terms and conditions of this bond. As an alternative, you may file a bond using certain government obligations of the United States or forms of cash on TTB F 5200.25, Tobacco Bond – Collateral.

B. What is a corporate surety? A corporate surety promises to pay your liability incurred under this bond up to the amount stated on this bond. The Secretary of the Treasury authorizes qualified companies to give bonds and to act as corporate surety to protect the revenue. You may find authorized corporate sureties in Treasury Department Circular 570, available from the Surety Bond Branch, Financial Management Service, Department of the Treasury, Washington, DC 20220 or at <http://www.fms.treas.gov>.

C. May I use more than one corporate surety? We prefer that you not use more than one corporate surety. However, if you use more than one corporate surety, you and the corporate sureties must modify this bond. The modifications include additions and modifications to the terms and conditions of this bond. You should contact TTB before you submit this bond with more than one corporate surety.

E. How do I make corrections to the bond if I make a mistake? If you or the corporate surety make any alteration or erasure to this bond, you and the corporate surety must identify, initial, and date the correction.

F. May I submit this bond on more than one sheet? We prefer that you submit this bond on a single sheet. However, if that is not possible, put your employer identification number and TTB permit number (if assigned) on any additional sheets.

G. Must I submit two copies and must each copy have original signatures? You must submit two identical copies of this bond and all individuals required to sign the bonds must sign them in ink. If we approve the bonds, we will keep one copy and return the other copy to you for your records.

Item 3 identifies the premises where such person is engaged, or intends to engage, in business as a manufacturer or an export warehouse proprietor. We, the manufacturer of tobacco products, export warehouse proprietor, or manufacturer of cigarette papers and tubes, and the corporate surety, stated in item 8 on this bond promise to pay the amount of this bond in lawful money of the United States to the United States of America. This bond firmly binds us individually, our heirs, executors, administrators, successors, and assigns.
- 2. Effectiveness of this bond:** This bond is effective when TTB accepts this bond and is effective without notice to me. The effective date of this bond is the date stated in item 7 of this bond; however, if no date is listed on the front of the bond, the date of execution in item 11a will be the effective date.
- 3. Liability:** I, as the person who is engaged, or intends to engage, in the business as a manufacturer of tobacco products, an export warehouse proprietor, or a manufacturer of cigarette papers and tubes, agree to pay the taxes, including penalties and interest, for which I become liable to the United States under Chapter 52 or Section 7652 of Title 26 of the United States Code and promulgating regulations. Until such payments have been made, this bond remains in full force and effect for the business identified in items 1 through 5 of this form. Furthermore, I agree that an installment agreement to pay such taxes between the United States and myself does not affect the United States' ability to pursue remedies against me under this bond.
- 4. Compliance:** If I or the corporate surety do not comply faithfully in all respects with such laws and regulations identified in the above paragraph, this bond remains in full force and effect for the business identified in items 1 through 5 of this form.

As a manufacturer of cigarette papers and tubes, I agree that this bond extends and applies to any change which would require me to file an extension of coverage of bond, which would include a change in location.
- 6. United States action:** If I or the corporate surety breach any condition of this bond, the United States may pursue remedies against me and/or the corporate surety. I and the corporate surety waive any right or privilege that the United States must first start an action or otherwise exhaust its remedies against either me or the corporate surety before pursuing such remedies.
- 7. Relief of corporate surety:** TTB may relieve a corporate surety from liability under this bond if the corporate surety complies with the applicable regulations; however, the corporate surety remains liable for any obligations incurred before the date that TTB relieves the corporate surety in writing from liability under the bond. The surety may at any time give notice in writing to the principal and to TTB that it desires to be relieved as to any
