Preface

Chart 1. Nonfatal occupational injury and illness incidence rates, by case type, private industry, 2003 and 2004

Chart 2. Total recordable nonfatal occupational injury and illness incidence rates, by employment size class, private industry, 2003 and 2004

Chart 3. Total recordable nonfatal occupational injury and illness incidence rates, by major industry sector, 2003 and 2004

Chart 4. Total recordable nonfatal occupational injury and illness incidence rates, by selected industry sector, 2004

Chart 5. Number of cases with days away from work, job transfer, or restriction, by case type and selected industry sector, 2004

Chart 6. Incidence rates for cases with days away from work, job transfer, or restriction, by case type and selected industry sector, 2004

Chart 7. Percent of nonfatal occupational injuries versus illnesses, 2004

Chart 8. Total recordable nonfatal occupational injury incidence rates, by selected industry sector, 2004

Chart 9. Percent of nonfatal occupational injuries, by selected industry sector, 2004

Chart 10. Total recordable nonfatal occupational illness incidence rates, by selected industry sector, 2004

Chart 11. Percent of nonfatal occupational illnesses, by selected industry sector, 2004

Chart 12. Percent of nonfatal occupational illnesses, 2003 and 2004

- Chart 13. Industries with at least 100,000 nonfatal occupational injuries and illnesses, 2004
- Chart 14. Total recordable occupational injury and illness incidence rates, education and health services industries, 2003 and 2004
- Chart 15. Percent of nonfatal occupational injuries and illnesses, education and health services industries, 2003 and 2004
- Chart 16. Number of injuries and illnesses with days away from work, 2003 and 2004
- Chart 17. Nonfatal occupational injuries and illnesses with days away from work and employment, by major industry, 2004
- Chart 18. Percent change in incidence rate of injuries and illnesses with days away from work, by selected events and exposures, 2003—2004
- Chart 19. Employment and nonfatal occupational injuries and illnesses with days away from work, by occupation group, 2004
- Chart 20. Occupations with the most injuries and illnesses with days away from work, 2003—2004
- Chart 21. Occupations with the highest median days away from work, 2004
- Chart 22. Shares of nonfatal injuries and illnesses with days away from work and employment for occupations with the most injuries and illnesses, 2004
- Chart 23. Nonfatal injuries and illnesses with days away from work and hours worked, by gender of worker, 2004
- Chart 24. Nonfatal injuries and illnesses with days away from work and hours worked, by age of worker, 2004
- Chart 25. Median days away from work due to nonfatal occupational injuries and illnesses with days away from work, by age of worker, 2004

- Chart 26. Percentage of nonfatal injuries and illnesses with days away from work, by selected race or ethnic origin and selected industries, 2003—2004
- Chart 27. Nonfatal occupational injuries and illnesses with days away from work, by length of service, 2004
- Chart 28. Injury and illness topology
- Chart 29. Nonfatal occupational injuries and illnesses with days away from work, by the nature of the disabling condition, 2004
- Chart 30. Median days away from work due to nonfatal occupational injuries or illnesses, by nature, 2004
- Chart 31. Nonfatal occupational injuries and illnesses with days away from work, by part of body affected, 2004
- Chart 32. Median days away from work due to nonfatal occupational injuries or illnesses, by part of body affected, 2004
- Chart 33. Nonfatal occupational injuries and illnesses with days away from work, by source of injury or illness, 2004
- Chart 34. Median days away from work due to nonfatal occupational injuries or illnesses, by source, 2004
- Chart 35. Nonfatal occupational injuries and illnesses with days away from work, by event or exposure, 2004
- Chart 36. Median days away from work due to nonfatal occupational injuries or illnesses, by event or exposure, 2004
- Chart 37. Comparison of total nonfatal days away from work cases with musculoskeletal disorder (MSD) cases, 2002—2004
- Chart 38. Musculoskeletal disorders with days away from work, by nature of injury or illness, 2004
