

**THE
GENEALOGICAL SOCIETY OF PENNSYLVANIA**

PROUDLY PRESENTS

EXTREME GENEALOGY

UNCONVENTIONAL METHODS OF BREAKING YOUR BRICK WALL

by

DEBORAH LARGE FOX

What do you do when that elusive ancestor won't come out of hiding? Learn how to go beyond being a researcher and become a family history detective! Discover the sometimes unorthodox methods used by your fellow family history researchers to solve their genealogical mysteries in this informative and entertaining class. Suitable for beginners and expert family historians alike.

Deborah Large Fox has taught genealogy and has researched professionally since 1997. Her experience as a prosecuting attorney has provided her with a unique insight into the methodology of researching genealogical and historical records. Deborah has published articles on genealogical, travel, and historical topics. Her talks are aimed to spread enthusiasm for, as well as knowledge of, genealogy
