This workshop will explain the EPA's environmental technology needs and teach small businesses how to win contracts under EPA's Small Business Innovation Research Program. This workshop is geared towards for-profit technology and science based firms with no more than 500 employees.

At this workshop you will receive:

- Details on an upcoming opportunity to receive up to $415,000 from the EPA

- The latest information on EPA SBIR funding and research solicitations

- Education on how to prepare a winning proposal

- An opportunity to network with other small businesses

- Access to professional SBIR consultants

$15 • Space is limited •
