RE: Proposed TTB Allergen Regulations

Director, Regulations and Rulings Division,

TTB Allergen Regulations are an important concern for small wineries like Wagner Vineyards. We are not against listing allergens, just the manner of the allergen regulations regarding wine labeling. It must be recognized that a wine label is very different from a food label. If we used a product with an allergen we would just list that allergen. Or that is what we WANT the proposed rules to be. We also want minimal wording or icons instead of words, if possible.

Please let me know if you have any other questions or concerns about this issue. I can be reached at 1-866-924-6378 or e-mail: info@wagnervineyards.com Thank you.

Best Regards,
Laura Wagner Lee
