The Securities and Exchange Commission initiated this proceeding on September 29, 2004, with an Order Instituting Proceedings (OIP). The hearing is currently scheduled for November 8, 2004.

On November 3, 2004, the Division of Enforcement (Division) filed a motion to convert the hearing to a prehearing conference and to enter default against all Respondents for failing to answer the OIP. Although the Office of the Secretary records confirm that the OIP mailed to Kilimanjaro Group.Com, Inc., was received, it is unclear whether the OIP was sent to the appropriate address. The Division also has not explained why it was proper to serve Agra-Tech, Inc., by mailing the OIP to Ron Weidner at Galleon Technology & Development Corp. in Tierra Verde, Florida. Further, the Office of the Secretary records do not indicate that return receipts have been received for the other six respondents.

For Good Cause Shown, the hearing is postponed. See 17 C.F.R. § 201.161. A telephonic prehearing conference shall take place at 2:00 p.m. EST, on November 8, 2004. See 17 C.F.R. § 201.221(d). The Division shall initiate the call and obtain a court reporter. At such time, the Division will have an opportunity to address my concerns on service of the OIP.

The Division's motion for default is DENIED at this time.

IT IS SO ORDERED.
