## CIVIL PROCEEDINGS

---

### DAVID E. HOUGE AND MICHAEL C. CAMERON ENJOINED

The Chicago Regional Office announced that on August 5 U.S. District Judge Scott Reed, Eastern District of Kentucky, entered orders of permanent injunction against David E. Houge and Michael C. Cameron. Both defendants, without admitting or denying the allegations in the Commission's complaint, consented to the permanent injunctions which enjoined them from violating registration and antifraud provisions of the securities laws. Additionally, Houge was enjoined from violating certain reporting provisions. Each defendant also submitted a court-ordered accounting reflecting the proceeds received from certain sales of common stock issued by Coal Technology Corporation (CTC).

The July 31, 1985 complaint alleged that the defendants violated registration and antifraud provisions of the securities laws in the offer and sale of securities issued by CTC. The fraudulent conduct occurred at different times from March 1981 through January 1984 and included the dissemination of false and misleading publicity concerning CTC's business activities and projections of revenue and profit.

The other defendants named in the complaint previously consented to final judgments of permanent injunction. (SEC v. David E. Houge, et al., EDKY, Civil No. 85-305). (LR-11202)

## TRUST INDENTURE ACT RELEASES

---

### CITICORP

A notice has been issued giving interested persons until September 15 to request a hearing on an application by Citicorp under Section 310(b)(1)(ii) of the Trust Indenture Act of 1939. The application declares that the trusteeships of The United States Trust Company of New York under four existing indentures, and a pooling and servicing agreement dated June 1, 1986 under which certificates evidencing interests in a pool of mortgage loans have been issued, is not so likely to involve a material conflict of interest as to make it necessary to disqualify the Trust Company from acting as trustee. The Trust Company is currently acting as trustee under the following four indentures dated: (1) February 15, 1972 (involving the issuance of floating rate notes, due 1989); (2) March 15, 1977 (involving the issuance of various series of unsecured and unsubordinated notes); (3) August 25, 1977 (involving the issuance of rising-rate notes, Series A); and (4) April 21, 1980 (involving the issuance of various series of unsecured and unsubordinated notes). (Rel. TI-2031)
