EXCHANGE COMMISSION

ADMINISTRATIVE PROCEEDINGS

E.F. HUTTON, OTHERS CITED

The Commission has simultaneously instituted and settled administrative proceedings against E.F. Hutton and Co., a broker-dealer with headquarters in New York, New York; Lawrence Brachfeld of New York, New York, a Hutton registered representative and office manager; and Julius Mark of Westbury, New York, a Hutton registered representative and former office manager. The Commission accepted Offers of Settlement from the respondents in which they neither admit nor deny the Commission's findings. Based upon the Order of Proceedings and Offers of Settlement, the Commission found that Hutton (1) violated the margin provisions of the Exchange Act by extending credit to a customer during the 90 day period following a liquidation in an account he maintained; and (2) failed reasonably to supervise its employees with a view to preventing violation of the margin and antifraud provisions of the Exchange Act. The Commission found that Hutton had failed to adequately review transactions in unrecommended stocks, accepted third party orders and checks without authorization, and did not adequately supervise account executives during training. The Commission ordered that Hutton be censured and comply with its undertaking to maintain an improved compliance program and promulgate a directive training. The Commission also found that Brachfeld and Mark failed reasonably to supervise persons subject to their supervision with a view to preventing violations of and aiding and abetting violations of the margin and antifraud provisions of the Exchange Act. Brachfeld failed to review daily order tickets, restrict extension of credit to a liquidated account, and seek requisite authority from Hutton to trade in unrecommended stock. Mark failed to review prior production records of an account executive he supervised, to discuss large transactions in stocks with the account executive and customers involved, and to obtain third party check releases. The Commission ordered that Brachfeld be suspended for a period of 20 business days and Mark for 40 business days from association with any broker, dealer, investment advisor, investment company or municipal securities dealer in any managerial or supervisory capacity. (Rel. 34-19339)

Matlock was formerly the president of Petrowest.

The four indictments charge that Matlock, in the offer for sale and sale of securities: (1) misapplied \$130,000 of investor funds; (2) misapplied \$11,253.43 in royalty monies belonging to working interest owners; (3) failed to disclose the existence of a pending investigation by the Commission; (4) failed to disclose that he did not own certain of the interests he was selling; (5) failed to disclose that investor funds were commingled; (6) failed to disclose that certain wells were already on production when sold and that he had failed to account to existing working interest owners for production monies received; and (7) that he failed to disclose that investor funds from later limited partnerships were used to make quarterly distribution payments to investors in earlier limited partnerships.
